4348	<u>Public Forum</u> Mr. David Branton and Mr. Mike Leech representing Disley Football Club spoke about the time and money that had been invested by the Club into car park and pitch drainage at the Newtown Playing Fields. This investment had been made to encourage new and younger members to the Club. Mr. Branton and Mr. Leech felt that the poor condition of the changing rooms at the site now represented a threat to the long-term future of the Club. They were aware that Section 106 monies from the Redhouse Lane housing development had been earmarked for new changing rooms but were frustrated by the lack of progress and lack of communication. Cllr. Kidd responded that the Parish Council shared the football club's frustration. He further confirmed that the Section 106 money had been released by the developer and was now being held by Cheshire East Council. Recent communication from Cheshire East proposed that the project was now in a position to be worked up with Cheshire East officers, Parish Councillors and the football club. As the land belonged to Disley Parish Council any planning applications would need to be made by the Parish Council. Mr. Branton and Mr. Leech clarified that plans had been drawn for the proposed changing rooms and that Sport England regulations would need adhering to. Cllr. Kidd agreed to arrange a meeting between Cheshire East, the Parish Council and the football club to move the project forward. Cllr. Harrop requested to be involved in this meeting. Mr. Branton and Mr. Leech were thanked for their time and input.
4349	<u>To receive Chairman's Report.</u> Cllr. Kidd reminded councillors that The Queen's 90 th birthday event and Well-Dressing Festival were taking place on Saturday 11 th June 2016. All councillors agreed to be in attendance and assist on the day.
