

**MINUTES OF ORDINARY MEETING OF DISLEY PARISH COUNCIL
HELD ON WEDNESDAY 11th NOVEMBER 2015**

Present: Cllrs. Adams, Chavasse-Hadfield, Harrop, Kennedy, Kidd & Pattison
Four members of the public
Meeting started at 7.30pm

4051 **To receive any apologies for absence** – Apologies received from Cllr. Davenport.

4052 **To receive any Declarations of Interest** – none declared

4053 **Public Forum**

A resident of Jackson's Edge Road (JER) addressed Cllrs. with his concerns, shared by other residents' living in the vicinity, regarding several safety issues pertaining to the road.

Parking at the bottom section: The resident explained how dangerous it could be turning into and ascending the road when cars were parked. He proposed that an extension of the double yellow lines as far as the junction with Leafield Road be requested from Cheshire East Council (CEC) Highways.

Speeding: The resident reported on frequent occurrences of vehicles speeding up and down JER and said that this was frightening and intimidating.

Temporary traffic Lights and footpath: Residents wish to see the retention of the traffic lights and a protected footpath to improve safety, particularly for pedestrians, in the area of the blind bend.

Cllr. Kidd thanked the resident for his comments and gave an assurance that the Parish Council would support the committee and seek to engage with CEC Highways on these matters at the earliest opportunity.

Another resident asked for clarification on the methodology used in producing the Neighbourhood Plan survey, stated that in his opinion strategic issues should come first and expressed concern that young people under sixteen had been excluded from taking part.

He said that Disley's green belt land was under threat and that Disley residents should be asked if they wanted to become part of the Greater Manchester authority.

The resident also expressed his concerns about the lack of liaison meetings with United Utilities regarding the reservoir works in the past year. He was particularly concerned about the proposed reinstatement of the footpath from JER to the golf club.

Cllr. Kidd said that the Parish Council would ask United Utilities to call a meeting of the liaison group.

The resident queried why the Parish Council would be moving to exclude the press and public for the last two items on the agenda.

The Clerk explained that the Parish Council could lawfully do this because the business to be transacted was of a confidential nature, relating to staff salaries. (Public Bodies (Admissions to Meeting) Act 1960 Section 2)

To receive report on Community Bus Operation

Cllrs. considered the report prepared by the Deputy Clerk. Cllrs. were in agreement that the operation should be suspended during January and February with a view to relaunching in March 2016. It was also agreed that a meeting with the volunteer drivers should be arranged early in the New Year.

Cllrs. discussed the possibility of using the Community Bus to offer a regular service to Macclesfield given the demise of the RR3 service which will cease to operate after 19th December.

The draft December schedule, as prepared by the Deputy Clerk, was tabled. The Clerk explained that there were only two trips currently planned due to the availability of drivers but if Cllrs. wished to propose an additional journey then the Deputy Clerk would endeavour to find a volunteer.
