

## APPLICATION FOR A DISLEY PARISH COUNCIL COMMUNITY GRANT

Disley Parish Council has a modest annual budget for community grants. A number of awards are made each year to support community events and Disley-based voluntary organisations or societies. The criteria for making such awards are based on the following guidelines:

- Bona fide voluntary organisations or societies based in Disley with a membership comprising a majority of Disley residents;
- Projects, events or programmes that can be shown to benefit our community as a whole, and that are also sustainable;
- Projects or programmes that will benefit the Parish Council and Disley generally in terms of positive PR or other appropriate forms of recognition.

The application process will be fair and transparent and the decision of the Parish Council will be final. Applicants may be invited to attend a meeting of Disley Parish Council in order for Councilors to further investigate the application. Failure to comply with such an invitation would result in the application being rejected.
