

## **Cheshire East Highways**

### **Parking Restrictions**

#### **Drainage Works**

Cheshire East Highways would like to inform you of the following works on:

**A6 Buxton Road, Disley  
(From Methodist Church to number 105)**

**Installation of drainage channels.**

The works are programmed to be carried out over **3 days** between **Wednesday 14<sup>th</sup>** and **Friday 16<sup>th</sup> November 2018** and to take place between **08:00 and 16:00**.

Please note that occasionally the works have to be changed at short notice due to unforeseen circumstances such as adverse weather conditions or logistics.

**Please be kind enough to refrain from parking in the road whilst the works are being carried out. Prior to commencing the works we will place “No Waiting” Cones along affected stretch of the carriageway to help you plan your parking.**

We would appreciate your co-operation with regards to keeping restricted areas clear, as the need to remove vehicles from kerbsides will delay the road works, causing further disruption to other local residents.

Emergency vehicles will be given access at all times.

If you have any concerns regarding these works please contact us on the following telephone number: **0300 123 5020**

**8<sup>th</sup> November 2018.**
