AUTUMN 2020 EDITION

FIGHTING COVID-19

Wonderful Community response to Covid-19 in Disley & Newtown

The Coronavirus has caused hardships, large and small, right across Disley & Newtown, but there has been one constant shining light throughout: the spirit and togetherness of our community.

Street Co-ordinator Scheme

Within hours of the official announcement of the global pandemic, Disley Parish Council and local volunteers had set up a network of Street Co-ordinators. Within days, every street in Disley and Newtown had a named contact and households received a calling card offering assistance. The Scheme has undertaken hundreds of tasks for residents from delivering shopping and picking up

prescriptions, to collecting library books and simply phoning for a chat. There are still over fifty residents available to help the community and all have pledged their commitment to keep supporting their neighbours for as long as necessary. This selfless group are providing a lifeline to many people and they should feel as proud of their volunteering, as the community is grateful for their support.

Village businesses

So many local businesses and their dedicated staff have supported the community during Covid, that it is impossible to pick out individuals. However, to every local business who has kept prescriptions flowing, delivered food and drink, supplied a light bulb and changed their hours to suit the needs of the community, we are all grateful.

Schoolhouse Surgery

Through highly testing times, Dr. Maurice and the Surgery staff have been available to answer queries, provide advice and help the village wherever possible. The Surgery is now back open providing flu clinics, blood tests and many other treatments.

Disley Primary School and village pre-schools

As we all know, Coronavirus has placed incredible pressures on schools and pre-

schools, and Disley's dedicated staff worked tirelessly to maintain services and allow pupils to return to education safely. They continue to do everything they can to minimise disruption and upset for pupils and all parents appreciate the levels of hard work it takes to achieve this.

All our voluntary groups

There have been so many acts of kindness from our local groups that we couldn't fit them all in the Disley News, but some which the Parish Council has been made aware of include: St. Mary's Church Long Table Lunch delivering over 40 hot meals a month all over the village, Good Neighbours ferrying many residents to hospital and doctors' appointments and the Community Bus drivers who are doing socially-distanced shopping trips to help residents get out and about again.

Individual residents of Disley and Newtown

Again, the individual acts of kindness and thoughtfulness shown by individuals in the village has been amazing, whether it is doing an NHS fundraising run around the estate, picking up shopping for those shielding or organising some outdoor line dancing. We are all very lucky to be part of such a caring and supportive community and two little words do not seem adequate to convey our gratitude. THANK YOU.

Sad News on Christmas Extravaganza

Unfortunately, Disley Parish Council has had to take the difficult decision to cancel this year's Christmas Extravaganza. The event is one of the highlights of the community year and it is looked forward to by everyone. However, the Coronavirus and public safety guidelines have made it impossible for the Extravaganza to go ahead. The Parish Council will still be providing Christmas trees and lights in the village and is working on one or two surprises to brighten up the festive season. Let us hope for a bigger and better Extravaganza in 2021.

Disley Parish Council would like to take this opportunity to wish all residents, businesses and visitors a safe and healthy Christmas and New Year.

Lyme Time

After a year like no other, National Trust Lyme brings in the festivities with an old friend, as they deck the halls for 'Country House Christmas'. Discover how the season was celebrated through the ages, with each room featuring one of the local National Trust properties currently closed. Find out how the Tudors celebrated Yuletide at Little Moreton, or how Dunham Massey experienced Christmas in the 1800s, all from the beautifully decorated rooms at Lyme. Grab a delicious festive drink from the cafe and those last-minute gifts from the Hall Shop. For more details, head to the website at: www.nationaltrust.org.uk/lyme

CARE AT HOME

Winter is just around the corner.
Fortunately so are we!

Discover why more local people warm to Home Instead.

When it comes to Senior Care, experience counts. That's why many families count on Home Instead. We pride ourselves in offering outstanding care. Care that you can depend on in your time of need and only find at Home Instead.

What's in store?

Disley's Community Store opened some time ago as a charity shop recycling household goods, clothing, toys, books and furniture and selling them at an accessible price, benefitting customers, the community and the environment. The store was set up by Suzanne Gregson and has recently moved from the old D&C Electrical premises to 26 Market Street in the centre of Disley. Having worked for D&C for many years, Suzanne wanted to put something back into the local community. There is a pre-loved Disley Primary School and Poynton School uniform section so donations of any spare or unwanted uniforms

are always welcome.

Donated goods can be collected from you if you do not have transport or if you have larger items of furniture. However, the store is unable to take sofas, beds or white goods.

All profits go to Disley School Association, thus helping the community in providing extra resources.

Suzanne is looking for volunteers to help with the everyday running of the shop and sorting stock so if you have time on your hands and would like to help your local community, please send her a message on 07719 795232. It's a great opportunity to get involved and we are told that there will be plenty of tea and biscuits available! You can follow Disley's Community Store on Facebook at:

@disleyscommunitystore

Disley Bonfire and Fireworks updates

The Disley Events Bonfire and Fireworks Display was held at Disley Golf Club on 4th November 2019 and heralded the resurrection of a community bonfire in Disley. The evening was formally opened by the Deputy Mayor of Cheshire East Council, Cllr. Steven Edgar. A total of 1200 adults and children attended to witness the lighting of a huge bonfire and a fantastic professional firework display. There were very busy bars, big pan street food, a cake stall and

an amazing BBQ which totally sold out of the delicious homemade burgers (from Phil Arden Butchers, Disley). Disley Events, which works with Disley Golf Club, were proud to declare the event a resounding success. As well as providing the community with a new annual event for adults and children it was decided to donate part of the proceeds to Disley Primary school. A cheque for £500 was handed to Heather Taylor, Co-Headteacher at Disley Primary School, by John Mott and Imogen Ford (an ex-pupil of Disley Primary). The donation will be used to provide items to teach the children the value of recycling in the community.

Unfortunately, the 2020 bonfire has had to be cancelled due to the Covid restrictions but hopefully, it will be back in 2021 with a mega celebratory bonfire and fireworks display for the people of Disley! For more information about future events in Disley please visit www.disleyevents.co.uk or Facebook. Thanks go to Disley photographer, Mike Shawcross, for the school photo.

www.disleyparishcouncil.org.uk

On Song, Online

Since lockdown in March prevented the Disley Community Choir from rehearsing together, most of the members have been taking part in online rehearsals. The Musical Director and members have worked hard to acquire the necessary IT skills with some frustration and much hilarity along the way!

Setting up a group WhatsApp has provided valuable support to members whilst a weekly newsletter has been a great way of staying in touch. Everyone has enjoyed contributing news, views, advice, recipes, photographs and potted histories. Choir news has included the birth of the first choir baby, celebrations of two golden weddings and an 80th birthday. A valuable insight into each other's lives and a unique record of the group's lockdown experience!

Sadly, current restrictions continue to prevent full rehearsals so the Choir plans to meet in groups of up to six to walk, have a coffee and chat (subject to all current government guidelines).

The choir have missed rehearsing together and participating in village events and look forward to the time when they can enjoy meeting and singing together again.

Raise a glass to Malt Disley

Congratulations to Malt Disley on Market Street, Disley which earlier in the year was voted Pub of the Year 2020 by members of its local CAMRA branch.

The Campaign for Real Ale (CAMRA) is considered one of the most successful consumer organisations across Europe. Founded by four real ale enthusiasts back in 1971, their vision is to have quality real ale, cider and perry and thriving pubs in every community.

CAMRA has a number of branches across the U.K. with Disley falling within the High Peak, Tameside and North East Cheshire branch. Malt Disley are extremely honoured and proud to have been awarded this accolade as their passion for good quality craft produce, be it real ale & cider or craft gin & spirits, is at the forefront of everything they do.

Since first opening three years ago, owners Lauren & Di assisted by their team Ella, Hannah, Erin, Megan & Cameron feel privileged to have been welcomed into the village by the Disley community and fellow businesses.

Having won the award for the area, Malt Disley will now be entered into the next round of judging, being the regional award.

A time to say 'thank you.'

Each year, Disley Parish Council bestows Civic Awards on those individuals who have made a real contribution to village life or have done something fantastic for the community.

This year, more than ever, there are many, many people who have been 'local heroes' and who have gone above and beyond, to help their community.

Therefore, the Parish Council is asking residents of Disley and Newtown to nominate the people they feel deserve public recognition for their efforts.

Nominations are open for all ages and the Council would particularly like to hear about the actions of our younger residents. All nominations will be assessed by Councillors and the closing date is **Friday 20th November 2020**. The awards will be presented at a socially distanced event as soon as possible when circumstances allow.

Please send nominations to the Parish Council at admin@disleyparishcouncil.org.uk, telephone 01663 762726 or call into the Parish Office at Disley Community Centre. All we need is the name and contact details of your nominee and the reasons why you think they deserve a 'thank you' from the village.

Daisy's Disley

Young local photographer, Daisy Roberts, has sent these fantastically atmospheric photos taken around Disley Golf Course recently. Daisy has been acting as the Parish Council's official photographer for some time and has previously provided some great images of local views and local events. More of Daisy's photos can be found in the Gallery section of the Parish Council website at: www.disleyparishcouncil.org.uk.

Sadly, Daisy and her family have been shielding through the Coronavirus pandemic, as she was diagnosed with a lung condition in March. This has restricted Daisy's movements and the family have only been able to go on a handful of walks around the golf course. However, Daisy remains upbeat, saying, "I have taken my camera on these walks though, so I have been able to capture some great images." We all wish Daisy and her family well, at this difficult time.

Disley Library is an open book and more

Disley Library is delighted to welcome back all its library users as soon as they feel happy to come in. Library staff are doing everything they can to keep the library Covid-secure with extra cleaning in place, lots of ventilation and books being quarantined before re-shelving. Visitors are asked to wear face coverings and hand sanitiser is provided.

Users are asked to bring their library card so that books can be issued through the self-service facility.

Opening hours have been reduced slightly to allow for additional cleaning but the library is open at the following times:

- Tuesday 9.30 - 12.30
- Wednesday 9.30 - 12.30
- Thursday 2.30- 5.30
- Friday 2.30- 5.30
- Saturday 9.00- 12.00

It is now possible to reserve books, either online or by calling 01625 374717 and staff will be happy to help with any bookings, renewals, or queries.

The computers are available to book in advance and please also book an appointment if you wish to apply for a blue badge, bus pass or send benefits evidence.

Unfortunately, all the regular group activities are currently suspended but there are still plenty of resources online including online newspapers, e-magazines, audio and e-books which many customers have enjoyed during lockdown.

The library looks forward to welcoming you back.

There is more information on the Disley Library Facebook page at:
www.facebook.com/disleylibrary

Disley and Newtown Parish Strategy

Disley Parish Council has been developing its priorities for the next 3 to 4 years and has now published its Parish Strategy for 2020-2023.

The Parish Council has set out a vision for Disley and Newtown, the Council's Mission Statement and its core values. Leading from these are specific details of the Council's goals and objectives.

This document will be used to guide the work and focus of the Council over the next four years, and we would welcome any feedback from our residents, businesses and visitors.

The Council wants to help to create and maintain a compassionate, healthy and vibrant community and input from all parts of that community is essential.

The Parish Strategy is available to view on-line at www.disleyparishcouncil.org.uk and hardcopies are available from the Parish Office at Disley Community Centre. Please send any comments or suggestions to admin@disleyparishcouncil.org.uk or post to Disley Parish Council, Disley Community Centre, off Buxton Old Road, Disley SK12 2BB.

Police say 'hello' to...

The village welcomed a new Police Community Support Officer (PCSO) earlier in the year. PCSO Rob Evans took over from PCSO Joe Street, who joined a Student Police Officer intake with Greater Manchester Police. PCSO Evans will be fully supported by long-time Disley PC, Dave Jackson, who many residents will know. Prior to joining Cheshire Constabulary, Rob worked in finance and has previously been involved in coaching children's football. You can follow the Disley Policing Team on Facebook at Disley-Police and on Twitter @DisleyPol. These social media accounts are not monitored 24 hours a day, so should not be used to report crimes.

PCSO Evans holds regular surgeries at Disley Community Centre for face-to-face meetings. Times and dates will be advertised locally and are publicised on the Police Noticeboard at the Community Centre.

Get your grants here!

Poynton Area Community Partnership (PACP) is part of a wider network of partnerships across Cheshire East and is an independent group of like-minded volunteers who understand and represent the interests of Poynton, Adlington, Disley, Mottram St Andrew, Prestbury, Kettleshulme, Bollington and Pott Shrigley. Cheshire East Council is also represented.

PACP works together to make all these parishes attractive places where people want to visit, live, work and spend their leisure time.

PACP's vision is to make its residents and neighbourhoods better connected, to promote a strong sense of place by

supporting civic pride projects, to promote health and wellbeing, and work to reduce social isolation.

Voluntary groups and organisations in the parishes listed can apply to PACP for community grants.

Projects need to be aligned to the aims outlined above, and grant applications are fairly evaluated by a PACP sub-committee.

How to Apply for A Grant:

Complete the application form, which you can download on the PACP webpage at:

poyntontowncouncil.gov.uk/poynton-area-community-partnership.htm and follow the instructions on how to submit it.

Are you looking for your business to make an impact in Disley and Newtown?

Local businesses can advertise in the Disley News for a set cost of **£25.00** (including VAT) for an advert of approx. 3 ½ x 5"

Disley News is a free publication from Disley Parish Council and is hand-delivered to over 2,000 households in Disley and Newtown. Advertising revenues make a much-needed contribution towards printing and distribution costs.

For more information, please contact Disley Parish Council on 01663 762726 or admin@disleyparishcouncil.org.uk

Meet and a Treat

Since the end of August, Disley Parish Council has been putting on a weekly morning coffee event in the Community Hall which has been a fantastic success. People who have been socially isolated or not been out of the house for a while have really enjoyed seeing each other and having a chat. A small group of invited guests joins us each week on a Friday morning for coffee or tea and a selection of scrumptious cakes supplied by the Finch & Fig.

To meet social distancing requirements, the event can only accommodate strictly limited numbers with tables and chairs arranged in the hall to provide the necessary space. Covid-19 measures have been implemented to keep everyone as safe as possible and volunteers provide table service to the attendees. So far, four 'bubbles' of people have been created, which are rotated on a weekly basis enabling guests to meet up with each other once a month. It has been heart-warming to see people catching up with other and having fun! Spaces may be available for future morning coffee events, so if you would like to be invited to one of these, or if you are interested in volunteering to help, please contact the Parish Council by phone on 01663 762726 or by email at admin@disleyparishcouncil.org.uk.

Meet your Councillors - Cllr. Simon Brownbill

What did you/do you do for a living?

I'm a shareholding partner at one of Manchester's leading advisory firms. In more normal times after slogging it out on the A6 or in an overcrowded train, I spend most of my time looking after our strategic implementation, marketing, and HR.

Do you have a family, pets etc.?

I'm married to Jana and we have three kids - Amy, Libby, and Luke. We also have a couple of guinea pigs - Harry and Muffin. We may also have a rabbit - Jeremy. After making good his escape late last summer, he's either no longer with us, or is living his best life on Disley Golf Course. My parents and older brother also live in the village.

What are your hobbies and interests?

I run at least twice a week and keep fit in the gym. I also like to travel which we get to do quite a lot with work and with the family. I love the outdoors and am generally much happier outside than in!

What made you want to become a Parish Councillor?

I'm an avid reader of Disley News and I know it has a large fan base. Getting my own feature and photo in there was obviously on my bucket list. Only joking... Volunteering is a real passion of mine as is having new experiences. I have done numerous interesting things that have worked well for me at a particular time of life. These have included volunteering, fundraising, and being an army reservist.

Approaching my 40's the thrill of putting rounds down a range in the mud, wind and rain soon lost its appeal and so I considered other things. I've always had an interest in politics, and a desire to make Disley a better place, so joining the Parish Council seemed like a good move.

What are the best and worst things about being a Parish Councillor?

The best thing about being a Parish Councillor is working as a team to effect change that means something to the community. I also really enjoy the direct interactions with the public. The worse thing is that people quite often misunderstand our role and responsibilities. As front-line community-based politicians, we very often get blamed or criticised for things that are well outside of our remit. This is frustrating - as often we share the same views as everyone else on Cheshire East and the National policies that affect our village.

What is the best thing about living in Disley and Newtown?

There is a great sense of community and that has really come through in recent months. We have some amazing community groups and facilities, and our business community is vibrant despite all the challenges. It would be naughty mentioning specific names, but we are very lucky with our eateries and drinking establishments.

If you could change one thing about the village, what would it be?

The traffic. It is the number one issue people talk to me about in my role as Councillor, and I know it is the source of great angst for many.

and hope to see you soon.*

Safari fete is a roaring success

On Sat 26th September, the Friends of Dane Hill Close Park held a safari fete to raise money for their much-loved park. The response was brilliant, and the community really got behind the event. The group raised a fantastic £1,500 from stalls set up outside on local doorsteps and driveways.

The money will go into the pot, along with a £500 Community Grant received from the Poynton Area Community Partnership, to restore the main path through the park and begin to remove the rotting wooden surround from around the play area.

The group would be keen to hear from anyone who can help with this endeavour, so if you drive a tractor or a digger or work for a business that can help with the maintenance of the footpath and removal of the stumps, they would be thrilled to hear from you. You can contact the Friends of Dane Hill Close Park via email friendsofdanehillpark@yahoo.com or call Rhiannon on 07833 229674.

You can also follow the group on Facebook to hear about their Christmas fundraising events at: www.facebook.com/Friends-of-Dane-Hill-Close-Park

Where's That?

Our regular test of reader's local knowledge and powers of observation poses the simple question, where's that?

The answer is in the Contact Details box on the back of the magazine. There are no prizes, just the satisfaction of knowing you know your village inside out.

Good luck!

Cooper Sons Hartley & Williams LLP

Following a merger with long-established Disley firm Wood's at the beginning of 2020, Cooper Sons Hartley & Williams LLP is now very well settled into the village.

Many people will have already been familiar with the name - founded in Manchester in the mid-19th century, the firm's Buxton office has been open since 1936, and its Chapel en le Frith office since 1948. A 17-strong team of lawyers provides a wealth of professional experience and all-round legal knowledge, coupled with a down-to-earth approach to fees.

Jo Twemlow is the firm's partner in the Disley office and specialises primarily in litigation and dispute resolution. Richard Earland, previous owner of Wood's, continues to work with the firm as a part-time consultant, focusing on giving his long-standing clients a smooth transition as he progresses towards full retirement. During Covid 19, Cooper Sons Hartley & Williams LLP has continued to work hard for all clients, adapting its working practices to minimise any disruption to services. Clients, both existing and new, should not hesitate to get in touch with any legal queries, as appointments can be offered by telephone, Zoom etc. The firm's offices are all fully risk-assessed and therefore Covid-safe in-person appointments can be offered for anybody who prefers this.

Back on the road again

Disley Community Bus scheme has been running for over six years and, having taken an enforced break through the Coronavirus lockdown, it is now back on the road again. The Parish Council has re-started the regular weekly shopper trip to a local supermarket enabling a group of less-mobile users to get out to the shops with our door-to-door-service. Before too long, the bus will also be taking residents on short trips into the local countryside to enjoy a picturesque drive. Pre Covid-19, the bus operated a busy programme of short and long trips all over the North West including Bury Market, Southport, Chester, garden centres and pub lunches. Whilst it is unlikely that full day trips will be possible any time soon, it is hoped that more short trips can be organised to give residents a chance to get out and about safely. Passengers currently have plenty of space in the 14-seater bus as trips have been restricted to 4 passengers for social distancing purposes and Covid-19 measures have been implemented to keep everyone as safe as possible. A remarkable team of dedicated volunteer drivers give up their time to drive the bus and they have our heartfelt thanks. Without them, the scheme simply could not run. Details of trips and how to become a volunteer driver are available on the Parish Council website at www.disleyparishcouncil.org.uk, by phone on 01663 762726 or at the Council Offices.

The governors of Disley Primary School are currently looking for new, independent governors to join the Governing Board to support a growing and successful school at a busy and exciting time.

Disley Primary School is a very special place, a happy and caring school where each child is valued as an individual. We aim to provide the best possible opportunities to ensure the best start in life for every child in our care.

As a governor you would be involved in providing strategic direction for the school, ensuring that our income is spent wisely and providing challenge to the school in a positive and supportive way. You would need to attend governor meetings at the school and engage in the relevant training activities provided to support you in your role. The Governors are particularly interested to hear from people with a background in Education or Business and Finance.

This is an opportunity to meet new people, develop your skills and make a valuable contribution to the school and village community. Experience has shown that being a school governor is viewed very positively by employers and can enhance career prospects.

The Governors are committed to safeguarding our pupils and a DBS check will be carried out prior to you taking up your post.

For further information or to express an interest, please contact Janette Johnson, Chair of Governors (email: chair@disley.cheshire.sch.uk). Further information on school governance is also available from our website at www.disley.cheshire.sch.uk/meet-the-governors

Cub reporter

Despite everything, it has been a busy year at 1st Disley Scout Group. Earlier this year they opened a second Beaver colony and were grateful to receive a grant from Disley Parish Council for new parade flags for this colony and for the Explorer section, who previously had not had their own. Fingers crossed the flags will be seen on parade again soon.

While all face to face meetings were paused, the group continued to meet virtually over the internet and with the scout hut remaining empty, it was an opportunity to undertake a major refurbishment of the building. This was made possible by a generous contribution of £2,173 from the Co-op Local Community Fund which paid for all the paint and materials for repairs and allowed a complete revamp of the overcrowded storage area. In addition, the dark and gloomy entrance hall is now light and bright, and the hut is ready for use and Covid-secure.

The group would like to thank the whole community who helped raise the money through the Co-op and also the many members of the community who contributed to the renovation, particularly Naughty Dog Creative Framing, who supplied and installed artwork for the entrance hall completely free of charge.

Disley Footpaths Society - Walking the Walk

During these difficult times, many of us have appreciated the glorious countryside that surrounds us, the spectacular views and the feeling of well-being one gets from enjoying exercise in the fresh air. Disley and Newtown footpaths have been busier than ever, and no wonder! Although the Footpaths Society has had to suspend its programme of meetings and talks, the group has been able to continue with maintenance work on the footpaths themselves and, in collaboration with the Canal & River Trust, the towpath. More recently the group re-started a programme of organised walks, albeit in a socially distanced way and limited to members only. If you are interested in finding out more, contributing to the great work the Society does, or simply supporting the Society through membership, they would love to hear from you. Please contact Tony Jackson at: tony@arjackson.plus.com or Jean Windsor at: jeanwinds25@gmail.com. There is also information on the Parish Council website at: www.disleyparishcouncil.org

The photo shows a recent walk up to Black Rocks along Footpath 58.

Running Mates

In Autumn 2019 Disley Runners were delighted to receive a grant from Disley Parish Council. This grant enabled the group to buy a large flag, which could be seen flying high in Lyme Park on New Year's Eve during the Bowstones Fell Race and at numerous other events. The grant also helped to train the Runners' first England Athletics/FRA certified run leader. Having run leaders allows the group to offer safer, insured running activities and coaching for new and regular runners. Then in 2020, Malt Disley Micro-bar and Bottle Shop on Market Street, Disley, very kindly agreed to sponsor Disley Runners for the year. This allowed the group to train up further run leaders and develop their website. Sadly, lockdown meant club activities ceased for a while, but they are now, literally, up and running again, following EA guidelines for Covid-secure activities. Disley Runners run on Tuesday evenings (a 5-6km coached training session for all) and Thursday evenings (a 10km social trail run). The group is shortly hoping to offer a beginner 0-5km course, when conditions allow. More details can be found on Facebook at www.facebook.com/groups/disleyrunners.co.uk or www.disleyrunners.co.uk

What a load of rubbish

After the Coronavirus put paid to the Community Spring Clean in March, a different type of litter pick was undertaken in September. The Parish Council set up a gazebo at the Community Centre and Disley and Newtown residents collected their grabbers, bags and Hi-Viz jackets and set forth in a socially distanced sweep of the village. The weather stayed fine, and the event was very well-attended with a wide span of ages getting involved. As can be seen in the photo plenty of rubbish was collected and it is always amazing to see where it all comes from.

All the volunteers did a fantastic job and the village is very grateful for their efforts in keeping Disley and Newtown looking spick and span.

What a plot of produce

Autumn is probably the best time on the allotment plot - harvest time!

All that work over the summer months finally comes to fruition when many vegetables and fruits mature. This year at Disley Allotments has been quite a good growing season despite the very erratic weather conditions. If anything good can be said to have come out of Covid-19 it is that it has given some of Disley's allotmenters the opportunity to spend much more time on their plots. Thanks go to Tim Rogers for the photograph showing some of the produce harvested this year. More information about Disley and Newtown's allotment sites can be found on the Parish Council website at: www.disleyparishcouncil.org.uk/allotments/

Owing to Coronavirus restrictions, the Parish Office opening times may vary at present. Please check on the Council website for up-to-date information.

Please note the deadline for submissions for the Summer Edition of the Disley News is Friday 23rd April 2021.

Please email all articles, adverts and photos to:
