It's back!

# THE DISLEY PARISH COUNCIL Christmas Extravaganza

## What's Going On?

Friday 3rd December from  
6.00pm at the Ram Green

In association with

**HIGH LANE  
GARAGE**  
ESTABLISHED 1927

- Father Christmas in his Grotto.
- Christmas tree lights switch-on
- Cheshire's Silk FM Radio DJ and stage
- Live music and community singing with Disley Primary School Choir and Disley Community Choir
- Line Dancing demonstration
- Late night shopping
- Free face painting by Disley Girl Guiding
- Roasted chestnuts and balloon stalls
- Firework finale
- Seasonal Selfie Wall at Disley Community Centre

## Support our local businesses on the night

**Cycle Space** - Hot chocolates and speciality coffees available all evening.

**Dandy Cock** - Chris and his team are pushing the boat out this year with a Mini Christmas Market, Children's Disco from 6.00pm followed by Christmas Party Night with karaoke and disco.

**Disley's Community Store** - Suzanne will be serving up lovely port and cheese and there will be a raffle for a Christmas hamper.

**Disley Hardware & Keys** - Gary will be doing festive lucky dips with one for kids and one for adults.

**Finch & Fig Cafe** - Hot seasonal barmes, festive soups, mince pies and other creative Christmas treats from Cath and Steve.

**Phil Ardern Butchers** - Phil's legendary pavement barbeque serving up top dogs and burgers.

**Ram's Head** - Amy and the team will have an outside bar offering Peroni, mulled wine & hot chocolate, with entertainment in the evening. Every guest who books from the festive menu will receive a complimentary glass of prosecco.

**Stefan James Salon** - Barbara's special liqueur coffees and seasonal nibbles. With all donations going to a local charity.

**Village Bakery** - Katya and the gang will be serving up their speciality pigs-in-blankets barmes along with cakes and sandwiches, all with a Christmas twist.

**White Horse** - Amy's delicious hog roast is becoming an Extravaganza regular with mulled wine for the full effect.

## Father Christmas visits to Disley

**Friday 3rd December** - Santa's Grotto at the Disley Parish Council Christmas Extravaganza.

**Wednesday 8th December** - New Mills and Marple Rotary Christmas Sleigh will tour the Chantry and Storey Road Estates.

**Saturday 18th December** - Mark James and his team will be taking their super-sleigh all around the village.

Christmas trees, lights and our big Christmas presents will be on all along Market Street so make sure to take a walk through the village as part of your big night out.

Friday 3rd December is set to be a memorable night, but please try to observe COVID-19 guidelines wherever possible.

## Hold the turkey!

Do you feel that turkey has had its time as the traditional Christmas dinner centre piece?

Do you wish you spent less time in the kitchen with your special Christmas outfit covered up by your pinny and your newly crafted Christmas hair melting in the heat?

Do you secretly wish for an easier Christmas dinner? Well, why not try a meat-free Christmas dinner centre piece this year. A tasty nut roast will be the envy of all your dinner guests and can be made ahead of time, sliced, and stored in the freezer until you need it. It's packed full of nutrients:

healthy fats, protein, veggies and stuffed full of flavour. You can experiment with flavours but the Blue Stag recipe has all the taste of Christmas and is even better served with cranberry sauce to truly give you a Christmas showstopper.

Now there is plenty of room in your oven for those potatoes!! Whatever you decide to cook, please buy local where you can.

Head over to **Blue Stag Health** on Facebook and Instagram for the lovely nut roast recipe and to see loads of other easy Christmas dinner ideas.

## Christmas Church Services 2021

St. Mary's Church and Disley Baptist Church are pleased to announce their programme of Christmas services for 2021.

- Sunday 28th November St. Mary's Christingle Service 4.00pm
- Sunday 12th December St. Mary's Carols by Candlelight 6.30pm
- Christmas Eve St. Mary's Crib Family Service 4.00pm  
St. John's Carol Service 6.30pm  
St. Mary's Midnight Communion 11.15pm
- Christmas Day St. John's Christmas Communion 9.30am  
Disley Baptist Church Family Celebration 10.30am  
St Mary's Family Christmas Communion 11.00am
- Boxing Day St. Mary's Family Communion 11.00am

For more information, please call Rev. Stuart Cornes for St. Mary's and St. John's (01663 635273) and for Disley Baptist Church (01663 362000).

## Bird's eye view

Disley Parish Council has been working in partnership with Cheshire East Council's CCTV Team to make sure that Disley Village Centre remains a safe and inviting space for all. Following a recent meeting, the CCTV Manager agreed to audit the coverage in the village and make changes to maximise the scope using the latest HD technology.

Disley has three cameras monitoring the village, 24-hours per day, 365 days per year. This includes one unit covering the busy A6 junction at the Ram Green traffic lights.

As night-time activity starts to get back to normal and more residents and visitors come back to our wonderful bars, pubs and restaurants, it is reassuring to know that the village is being kept an eye on at all times. Just in case.

**Free dog walking service for elderly and terminally ill in Disley & Newtown**

**The Cinnamon Trust**  
The National Charity for elderly and terminally ill people and their pets

**Walkies?**

Does your dog miss his daily walk? If you are an elderly or terminally ill owner and would like some help please contact us.

**First Lesson FREE**

Fancy trying something new???

**Time: 10am-11am**  
**Day: Every Sunday**  
**Where: Disley Amalgamated Club on Astroturf pitch**  
**Cost: £5.00 per lesson – first session is free**  
**Ages: Around ages 7 years to 9 years old**  
**Lots of fun, helps improve your skills and gives you something to do on Sunday morning**

## A message from the Chair

Cllr. Sue Adams,  
Chair of Disley Parish Council

As our thoughts turn towards Christmas and New Year festivities, it is good to reflect on the care and support given to friends and neighbours by so many people in our community over the last eighteen months. At the recent Civic Service, I presented Civic Awards to many wonderful people (see separate article) who have done so much to make Disley and Newtown an amazing place to live and who have helped to get us all through extremely difficult times.

The Parish Council continues to be very busy. In September we installed the village's first public EV charging points in the community centre car park to support the changeover to electric vehicles. The cost of this was aided by a government grant. Repairs to the Community Centre wall are nearly complete and the Parish Council is continuing with a programme of further improvements.

The Parish Council arranged for the Healthwatch Cheshire East bus to visit Disley in October. This extremely well attended event enabled residents to have a voice on all aspects of local health and social care provision.

Councillors continue to engage with senior Cheshire East Highways officers to tackle the various roads issues raised by residents. Disley Parish Council, with the support of volunteers, has helped the Cuppa an' a Chat group to get up and running again and it is great to see the Community Centre buzzing with life. The Community Bus is also running trips again much to the delight of its users.

Finally, I would like to thank Parish Council staff for all their hard work supporting our community. I know that their efforts are much appreciated by residents and councillors.

On behalf of councillors and officers, may I wish you all a happy and peaceful Christmas and New Year.

Cllr. Sue Adams

## Disley's Community Store - The inside store-y

Since opening in November 2019, Disley's Community Store has been appreciated and supported by the local community. Throughout the Covid-19 pandemic, the organisers and volunteers remained positive and kept going despite all the draw backs.

The Store has given an opportunity to many loyal volunteers who all offer their expertise and experience in different ways. It also supports the Duke of Edinburgh (DofE) Scheme and has seen 4 young people through their bronze, silver and gold awards.

The relocation to Market Street, in the centre of Disley village, during the first lockdown meant more people noticed the shop when it re-opened and it remains very busy with improved footfall.

The Community Store has helped to supply clothing, blankets, camping equipment and essentials to the 'Hatters Outreach Providing Essentials' homeless charity, which distributes food and essentials through the night. It has also collected food and toiletries for Stockport Foodbank based in Hazel Grove Baptist church. People have been very generous with their donations and almost everything is recycled, preventing landfill and supporting the local economy and environment.

Feedback from the community has been really positive with everyone enjoying a browse, a cuppa and a natter. The store raised £1,500 for the Disley Primary School PTA recently and has also made smaller donations to other local charities.

Owner of the store, Suzanne Gregson, said "overall I am very pleased with the way the business is progressing and can see it will be a great ongoing asset to Disley. I would like to give a massive THANK YOU to everyone who has made this possible and your continued support will be very much appreciated. What a great community this is."

## Cycling into the record books

Disley's Dame Sarah Storey became Britain's most successful Paralympian when she won her 17th gold medal at the Tokyo 2020 Paralympics. Her total of 28 Paralympic medals including 17 golds makes her the most successful (by gold medals) and most decorated (by total medals) British Paralympian of all time as well as one of the most decorated Paralympic athletes of all time. She also has the unique distinction of winning five gold medals in Paralympics before she turned 19. Dame Sarah and her family are very much part of the local community and we are sure we speak for the whole village when we offer our congratulations on her amazing achievement.

# The village says a huge "thank you" with Civic Awards

**Jenny Kidd and members  
of the Long Table Lunch  
team**

**The Friends of Disley  
Station (FODS)**

**Lucy Mitchell**

**Glenys Millins**

**Rhianon Adams**

**Jean Oakley**

**Suzanne Gregson**

Cllr. Sue Adams, the Chair of Disley Parish Council, was delighted to present Civic Awards to a number of local groups and individuals at the Annual Civic Service in October.

All the recipients had been nominated by Disley and Newtown residents for the fantastic contribution they make to our community and Cllr. Adams thanked them all on behalf of the village.

## Awards were presented to:

- **Glenys Millins** - For the fantastic support she has given to neighbours both practically, in terms of shopping, and mentally, in terms of having a chat and checking everything is okay.
- **Tim Rogers** - For his ideas and inspiration as a member of the Friends of Disley Station (FODS) group, helping to make the station attractive and welcoming to commuters, visitors, local residents, walkers and even wildlife. Tim could not make the Civic Sunday event and he will be presented with his award shortly.
- **The Friends of Disley Station (FODS)** - For their work in improving the station including creating a path and steps and planting of the slope. Also, the creation of 'Btingham Palace', an insect hotel built from donated wood installed at the top of the slope. David Higton accepted the Letter of Commendation on behalf of FODS.
- **Suzanne Gregson** - For running Disley's Community Store which has raised money and donated to local causes such as Disley Primary School and recently delivered an enormous amount of children's clothing for Afghan refugees.
- **Connor Wyse** - For volunteering to be Disley's Spiderman, getting out around the streets of Disley, putting a smile on the faces of the local children and adults too. Connor is a young man with an incredible attitude and community spirit. Sadly, he was away studying on Civic Sunday but will receive his award independently.
- **Rhianon Adams** - For her volunteer work with Disley Beavers, leading the Friends of Dane Hill Close Park to improve the play area and developing the Disley Forest School.
- **Lucy Mitchell** - For setting up the Disley Forest School and working in partnership with local groups and people, to ensure a legacy was used for something positive for the Disley community. Lucy has also worked hard to get Disley Beavers back on track after the Covid-19 shutdowns.
- **Jenny Kidd** - For helping with the Community Centre coffee mornings and for over 40 years playing a leading role in many village activities including Church fetes, PRIDE, Well-dressing. Recently Jenny also helped to prepare and deliver many meals, once a month, as part of the Long Table Lunch team.
- **Long Table Lunch Team** - For preparing and delivering meals to over 40 residents during the pandemic and providing contact and support whenever necessary. A number of members of the Long Table Lunch Team were on hand to accept a Letter of Commendation.
- **Jean Oakley** - For playing a leading role in village life for many years by organising the Ladies Rams Head Bowling Club, helping with Cancer Research U.K. fund raising and more recently creating and running the Disley & Newtown Whist Club.
- **Disley WI Committee** - For communicating with and inspiring WI members on a monthly basis but particularly for their commitment to the WI members during the Pandemic. They created a network of WI delivery fairies, ensuring that every member was in touch with a committee member, leaving no one isolated or alone. During lockdown, activities and communications were maintained for the benefit of all members. Judy Start received a Civic Award and Letter of Commendation on behalf of the Committee.

## Schoolhouse Surgery

Middlewood Partnership

As life slowly returns to normal following the pandemic, familiar faces and routines are returning in the Schoolhouse Surgery. Despite the difficult timing of trying to manage the creation of the Middlewood Partnership at the same time as coping with COVID-19, our valued Schoolhouse Surgery team are back caring for us all.

Face-to-face appointments are available for patients and the Practice Nurses are on hand for routine checks, advice and follow-up appointments. Other members of the Health Care team are also on duty in the Disley Practice.

GP surgeries are working hard to deliver the best health care possible for patients, although many are short staffed. We are very lucky in Disley to belong to the Middlewood Partnership, which currently has no GP vacancies. The new Ask My GP online service is working well for most patients and support is available in the surgery for anyone experiencing difficulties with the system.

The PPG (Patients' Participation Group) is also back in business.

The group exists to offer support to the Schoolhouse Surgery and to provide a forum for patients' views to be heard. The four surgeries in the Middlewood Partnership all have their own PPGs, and the groups will eventually have the same constitution but will continue to reflect the views and needs of their own specific communities. The Disley PPG will meet in November when a new edition of the Disley Surgery newsletter will be published.

It is heartening to know that the Schoolhouse Surgery is very much open for business, even though so much has changed. The PPG welcomes queries and comments from patients and can be contacted via the Chair at:

paul.vickers@highpeak.homeinstead.co.uk

## WEA Days

The WEA is pleased to announce the dates of two Day Schools being held at Disley Methodist Church Hall.

- Saturday 20th November 2021 - Michael Tunnicliffe will be teaching about "Cleopatra"
- Saturday 22nd January 2022 - Simon Haworth's subject will be "Victorian Narrative Painting".

Both the sessions start at 11.00am and end at 3.00pm. Lunch is included and the cost is £16.00 per person.

For more info, please contact Mary Salisbury at: salisbruella@gmail.com

# Lyme of Duty

As the days shorten, National Trust Lyme is looking forward to the warm Autumn colours across the estate falling into crisp winter days illuminated by festive lights.

With restrictions easing, pre-booking is no longer needed, and the gates will remain open from 8.30am for local visitors. As the nights draw in, the park will close at 4.30pm but Lyme is hoping to extend the opening hours for the 2022 season.

At the moment, the team is busy with conservation work and dressing the house for Christmas, readying to re-open on Saturday 4th December. In addition to laden trees, there will be some of your favourite treasures from Lyme's collection of fascinating artefacts.

Between 4th December and 3rd January, there will be a family winter wander trail with Percy the Park Keeper. Join in winter activities, games and clues with Percy and his animal friends and give nature a helping hand. Packs will be available for £2 each on your visit.

Into the New Year, and Lyme will be continuing with Riverlands Project, with funding kindly received from the Green Recovery Challenge Fund and the players of the People's Postcode Lottery. The work will include removing invasive non-native plant species, building leaky dams, and planting native trees to create wet woodland. This will ensure that the quality of any water flowing through Lyme leaves better than it enters and will allow all kinds of native nature to thrive. In addition, it will make Lyme and the surrounding areas more resilient to flooding.

For the latest updates, please visit Lyme's social media channels or the Lyme website at [www.nationaltrust.org.uk/lyme](http://www.nationaltrust.org.uk/lyme)

wish all his customers a  
very Merry Christmas  
and a Happy New Year.

## Voices Re-choired

In the run up to Christmas, Disley Community Choir is looking for new members to swell their numbers. In particular, Tenor and Bass singers would be especially welcome to expand the male section of the choir. Rehearsals restarted this term at the Quaker Meeting House on Wednesday evenings and members are currently busy rehearsing for a number of seasonal events including the Disley Christmas Extravaganza, 'Carols at the White Lion' and a performance at Lyme Hall. This year several new songs will be added to the choir's repertoire with lyrics written by the choir members and music composed by their Musical Director, so listen out for those! For further information about the choir or to come along and join us (no audition involved) please contact: - 01663 765454 or 01663 764384

## Whist returns

After almost 2 years since its last meeting, Disley & Newtown Whist Club is delighted to announce that it will be restarting in March 2022. Sessions are held on the First and Third Fridays of each month, beginning at 1.00pm and finishing before 4.00pm. There is a £3 entry fee for each session and refreshments are served in the interval. First session back will be Friday 4th March 2022 and the second session on Friday 18th March 2022. The Club is looking forward to seeing all their old friends but would welcome any new members, male or female and of any age. If you would like to learn how to play Whist, please contact Jean Oakley (details below) to arrange some tuition. Jean would be grateful if previous members could confirm if they are hoping to return in March and to spread the word to anyone who may be interested in joining the happy and sociable club. Jean Oakley - phone 01663 763108 / 07961 648497 or email: [disleyoakley@gmail.com](mailto:disleyoakley@gmail.com)

## A message from Dr. Andrew Maurice from the Schoolhouse Surgery

Throw in the most devastating pandemic in a century, alongside more than a decade of underinvestment in primary care services, and the outcome is a necessary pace of change that has been uncomfortable for some. However, one thing that has not, and will not change, is the continued provision of a GP surgery in Disley. The Schoolhouse Surgery has had a refresh, is more resilient than ever, much like old Dr Boyle's bench, and still stands proudly in the centre of Disley, ready to serve our community."

**Dr. Andrew Maurice**

"In early October, it was pleasing to witness the arrival of the replacement bench for the front of the surgery, with the original plaque, recognising Dr Boyle's service to Disley over many years. I often delight in hearing stories from longstanding residents of how healthcare in the village was organised, delivered and appreciated in the 1950s and 60s, including consultations in the drawing room and operations over the kitchen table.

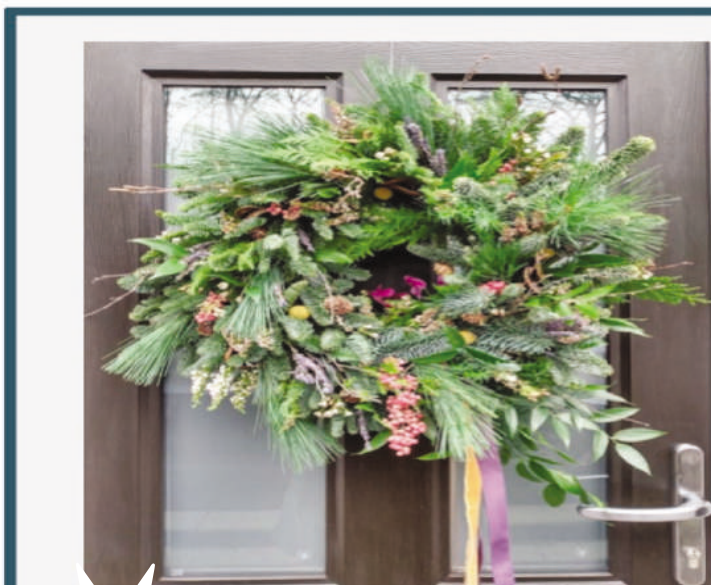

It is clear to everyone that a lot has changed in healthcare over the years - the options for assessing symptoms and the number of available treatments for many conditions has increased exponentially.

## Raise a glass to Disley's Oktoberfest

Disley held its first Oktoberfest in September which just demonstrates that the village is always ahead of its time. The event was a fantastic success and was brilliantly well supported by the good folk of Disley. The event was created as a collaboration between Malt Disley, The White Horse and The Dandy Cock and was held at the rear of Malt

Disley on Co-operative Street. Lively live music was provided by the Hawk Green Brass Band and an outdoor bar allowed everyone to enjoy the sunshine. After such a great day, it is not surprising that all three pubs have agreed to stage the Oktoberfest again in 2022 and may look at a new event in the spring.

# Christmas at Disley Library

There are some lovely events coming to Disley Library over the festive period this year.

Disley Library will be open throughout December on their usual hours of Tuesday 9am-1pm, Wednesday 9am-1pm, Thursday 2pm-6pm, Friday 2pm-6pm and Saturday 9am-1pm. They will be closed on Christmas Eve, Bank Holiday Monday 27th December, Bank Holiday Tuesday 28th December, New Year's Day and will close early at 5pm on New Year's Eve.

The very popular Lego Club has restarted and is held on Friday afternoons from 3pm-5pm. Suitable for children aged 5 and above you can just drop-in and build, build, build.

More good news, the monthly Keen Cooks Book Group has restarted. This is held on the first Friday of every month from 2pm-3pm where they discover a new recipe book and talk about (and taste) what everyone has been cooking that month. It's the tastiest book group in Disley, so why not come along and join in the fun?

Even more good news is that the IT Buddy sessions have restarted and are available free of charge. Whether you are a complete beginner, or need some support with a specific problem, the friendly volunteers are here to help.

**Live Well, Your Way**

# Forest Fun

Since opening their doors in April, they have enjoyed weekly Forest School sessions with babies, toddlers and pre-school children along with their parents. They also ran family holiday sessions throughout Whit Half Term and the Summer Holidays. Activities have included den building, games, fire lighting, mud play in the mud kitchen, natural art activities (such as making clay faces for the woodland trees) and tool use where they used hammers to create Hapa Zome patterned bunting.

The Forest School is looking forward to continuing with Early Years groups throughout the winter, with Halloween and Christmas family sessions. The school is keen to thank everyone who has supported them so far.

For further information please visit their Facebook page at: Disley Forest School.

Disley Forest School recently celebrated 6 months of successful outdoor activities in Disley.

# Focus on PROBUS

Are you a gentleman who has recently retired or semi-retired and is looking for ways to fill your time? Are you interested in discovering new information and items of interest? If so, why not consider joining Disley & District PROBUS, an informal group of retired gentlemen who meet on a regular basis for convivial fellowship and the opportunity to learn about a diverse range of subjects. During Lockdown, regular meetings were held on-line, but they are now meeting again in person.

The group meets, socially distanced, in Disley Community Centre on the second and fourth Monday morning of each month, to hear fascinating lectures on a variety of subjects. Upcoming subjects include William Marshall, who came from lowly conditions to become Earl Marshall of England and champion of five Plantagenet kings. Members will also be sharing their experiences prior to retirement in the offshore oil industry, police and veterinary medicine. Meetings are followed by lunch at a local hostelry, providing a great opportunity to socialise. On non-meeting Mondays, easy walks are arranged around the area to provide exercise in the company of like-minded friends. Four times a year, lunches with partners are arranged and in 2022 PROBUS are planning to include trips to local places of interest. Membership is very reasonable at £60 per year to cover all the speakers. For more information, or to apply for membership, please contact Bob Harrison on 01663 732649.

## Plug in, charge up, drive off

Disley Parish Council is excited to unveil Disley's first public electric vehicle chargepoints at the Community Centre car park in the centre of the village.

The chargepoints have dedicated parking spaces and use Superfast 22 kW technology for quick charging.

Payment is made easily through the VendElectric app available from Google Play, the AppStore or the app.vendelectric.com website. The installation of the chargepoints is part of the Parish Council's on-going commitment to reduce carbon emissions and improve air quality in Disley and has been part-funded by an OZEV (Office for Zero Emission Vehicles) grant.

Cllr. Sue Adams, Chair of Disley Parish Council, said 'Installing EV chargepoints in Disley shows how seriously the Parish Council takes trying to improve the air quality for our residents. Disley has many flats and terraced houses where an electric vehicle would not be an option without public chargepoints like these.'

We are also hoping that the chargepoints will encourage visitors to Disley, so that people can use the chargers while visiting our wonderful shops, restaurants and pubs.' The chargepoints are now fully operational and anyone wanting more information, can contact Disley Parish Council via their website at [www.disleyparishcouncil.org.uk](http://www.disleyparishcouncil.org.uk). The photo shows Cllrs. Sue Adams and Jean Windsor at the chargepoints.

## Dane Hill Close Park needs friends

The Friends of Dane Hill Close Park in Disley is a constituted voluntary group set up in 2019. The small committee consists of local mums and a grandma who are passionate about getting this park back up to standard for all children to enjoy.

Dane Hill Close Park is located just off Buxton Old Road and over the past 2 years the Friends group have been busy fundraising in the community. Events have included the Safari Fete held in September 2020 and the Santa Dash held last Christmas. Disley Co-op store has also chosen the group as one of the community projects they will be supporting this year.

The group is now focusing its efforts on a bid for nearly £10,000 through Crowdfunding. The funds will be used to replace the outdated trim trail beams & bridges with modern and safe equipment. This beautiful, new equipment will promote the natural, woodland feel of the green space and attract new generations of children to the park. The new equipment will be suitable for children from 2 to 12 years old. The Friends of Dane Hill Close Park are really hoping that the residents and businesses of Disley will get behind their bid and you can give your support by:

- Liking the Friends of Dane Hill Close Park's Facebook page.
- Sharing any Facebook posts relating to the crowdfunding.
- Follow them on Twitter: @friends\_dane
- Follow them on Instagram: friendsofdhclose
- Make a pledge and leave a comment on the crowdfunding page at: [www.spacehive.com/renovate-dane-hill-close-park-in-disley](http://www.spacehive.com/renovate-dane-hill-close-park-in-disley)

## Editor's Note Amendment
