| | |
|----|---|
| 27 | To note the completion of the 6-month probationary period of the Community Centre Building Supervisor |
|----|---|

Items highlighted in grey require a Council resolution.

DISLEY PARISH COUNCIL

APPLICATION FOR A DISLEY PARISH COUNCIL COMMUNITY GRANT

Disley Parish Council has a modest annual budget for community grants. A number of awards are made each year to support community events and Disley-based voluntary organisations or societies. The criteria for making such awards are based on the following guidelines:

- Bona fide voluntary organisations or societies based in Disley and Newtown with a membership comprising a majority of Disley and Newtown residents;
- Projects, events or programmes that can be shown to benefit our community and that are also sustainable;
- Projects or programmes that will benefit the Parish Council and Disley generally in terms of positive public relations or other appropriate forms of recognition.

The application process will be fair and transparent and the decision of the Parish Council will be final. Applicants will be invited to attend a meeting of Disley Parish Council in order for Councillors to further investigate the application. Failure to comply with such an invitation could result in the application being rejected.

Applicants will be requested to submit a Community Grant Completion Form and failure to complete this will jeopardise any future grant applications.

1. Name and full address of your organisation/society

Disley Baptist Church
Basement - Youth Club
119 Buxton Rd Disley SK12 2HA

2. A brief outline of your organisation's/society's interests, aims and objectives.

- Basement Youth Club is held at Disley Baptist Church
- Providing a safe environment for the youth to meet together. Holding activities including games and providing "The Hatch Cafe", soft drinks and snacks. We are the only Youth Club in our local area, and the leaders care deeply about the young people in Disley and New Town, having some where to go once a week.

3. Please provide a brief description of the project, event or programme for which funding is sought, including timescales for its completion.

① Sofa - To enhance the games room by providing a relaxed seating area.

② Outside equipment - Footballs and Rounders Set, which would allow us to take the young people to the local park.

③ Gazebo - This will allow us to have a covered area, particularly over the BBQ.

We have a large event in July when Disley Primary Yr 6 come to an introduction to Basement ready for Y7.

4. How will this project, event or programme benefit the Disley and Newtown community?

Disley Youth Club provides a safe environment for the young people of Disley and New Town. They can come to play games, relax and chat and make friends in a well organised and safe place. It is the club's intention to have more activities over the summer, using our outdoor facilities and Arnold Rhodes Park for group games.

5. What is the overall cost of the project, event or programme, and how much funding are you seeking from the Parish Council?

| | |
|-----------------------------|---------|
| 3 seater Corner Sofa approx | £450.00 |
| Foot balls x 2 | £ 46.00 |
| Rounders Set | £ 35.00 |
| Gazebo (Pop-up) | £ 85.00 |

**MINUTES OF THE ANNUAL MEETING OF DISLEY PARISH COUNCIL
HELD ON THURSDAY 12TH MAY 2022 AT DISLEY COMMUNITY CENTRE**

| | |
|------------------------|--|
| <u>Present:</u> | Cllrs. Adams, Mrs Birchall, Mr. Birchall, Brownbill, Pattison and Windsor, Cllr. Murphy (Cheshire East Council) Start time: 7.00pm |
| | <u>A G E N D A – P A R T 1</u> |
| 2228 | <u>To elect a Chair of the Council for the year 2022/23.</u> Cllr. Adams was proposed as Chair. Proposed: Cllr. Pattison Seconded: Cllr. Mrs Birchall Unanimously agreed |
| <i>Resolved</i> | <i>That Cllr. Adams is elected as Chair of the Council for the year 2022/23</i> |
| 2229 | <u>To receive Declaration of Acceptance of Office (Chair)</u> Received |
| 2230 | <u>To elect a Vice Chair of the Council for the year 2022/23.</u> Cllr. Brownbill was proposed as Vice Chair. Proposed: Cllr. Adams Seconded: Cllr. Windsor Unanimously agreed |
| <i>Resolved</i> | <i>That Cllr. Brownbill is elected as Vice Chair of the Council for the year 2022/23</i> |
| 2231 | <u>To receive Declaration of Acceptance of Office (Vice Chair)</u> Received |
| 2232 | <u>To receive any Apologies for Absence.</u> Apologies were received from Cllr. Hutchins who had tested positive for Covid. |
| 2233 | <u>To receive any declarations of Disclosable Pecuniary Interests (DPI), Personal Interests or Prejudicial Interests as defined in the Member Code of Conduct.</u> Cllr. Pattison declared an interest in Item 31 as she was a Trustee of the Thomas Ouff and Poors Charity. |
| 2234 | <u>Public Forum</u> Two residents of Red Lane addressed the Council regarding an enquiry they had made to purchase Council land on Red Lane. Cllr. Adams explained that the request was due to be discussed as a Part 2 agenda item as it formed part of a wider Council review of its land assets. The residents currently rented the land from the Council and outlined the improvements they had made. The residents were not looking to develop the land but wished to put livestock on it and erect a tractor shed and barn. The residents said there was no room to erect the shed on their own land and that the construction would be of a temporary oak and |

|------|---|
| | <p>slate construction with a low roofline. Cllr. Pattison suggested the residents contact Cheshire East Planning as the proposed structure would be on Green Belt land. The residents expressed their wish to work with the Parish Council and said that a long-term lease of 30/40 years and a sell-on termination clause could also be considered.</p> <p>Another resident of Red Lane addressed the Council regarding the condition of the surface of Red Lane and requesting a Council contribution towards the cost of repairs. It was stated that Red Lane was a private road. The resident said that the surface had deteriorated making it dangerous to vehicles and pedestrians. It was envisaged that the first section from Buxton Old Road to Nos. 15 and 22 would have the potholes filled and the second section to Lyme Park gates would be resurfaced and the gullies repaired. Quotes of approx. £60,000 had been received for the work. The resident commented that the Council should want to make the road safe for its land tenants on Red Lane as well as for pedestrians using the road. The resident reported that Lyme had made a pledge towards the repairs and that United Utilities (UU) and residents were being approached for contributions. Any balance would be met by the three residents at the far end of Red Lane. Cllr. Adams highlighted the use of Red Lane by heavy UU vehicles and the fact that they had not yet made a contribution. It was also noted that St. Mary's Church had not been approached, only three residents had committed to making a contribution and that there was currently no residents association on Red Lane. Cllr. Mrs Birchall asked if there was any responsibility for the upkeep of the lane in the property deeds but the resident said that the road ownership was unclear. Cllr. Pattison suggested that the Parish Council see the quotes and that any agreement would need to be legally formalised and considered as a future Council meeting agenda item. Cllr. Adams offered the use of the Community Centre for a meeting of Red Lane residents, if required. Cllr. Adams also agreed that the Parish Council would approach UU on the resident's behalf if a copy of the resident letter to UU was provided.</p> |
| | <p>Councillors agreed to bring forward Item 14, Cheshire East Councillor's Report, as Cllr. Murphy had to leave at 8.00pm.</p> |
| 2235 | <p><u>To receive Cheshire East Councillors' Report</u></p> <p>Cllr. Murphy said that he was not clear what he should report to the Parish Council as his Cheshire East committee memberships had little relevance to Disley. He reported that the Cheshire East Scrutiny Committee had received updates from Wirral NHS Trust and the Cheshire Commissioning Group as well as updates on mental health issues and social care. Cllr. Adams asked Cllr. Murphy what actions he had taken on behalf of Disley residents over the past month such as remarking the road at the Ram Green junction. Cllr. Murphy replied that he had raised highways issues with Cheshire East Highways. Cllr. Murphy raised the possibility that Disley</p> |

| | |
|-----------------|---|
| | <p>may be better served if it was part of Stockport rather than Cheshire East. Cllr. Brownbill suggested that the Parish Council agree a remit for the Cheshire East Councillor's Report to be discussed at the June Council meeting. This could then be presented to Cllr. Murphy. Cllr. Murphy reported that no strategic planning applications under discussion related to Disley. Cllr. Mr Birchall highlighted that the Parish Council was only really interested in Cheshire East issues that related to Disley and Newtown. Cllr. Mr Birchall requested Cllr. Murphy to expand on his comment regarding Disley being better served as part of Stockport but Cllr. Murphy did not provide further comment. Cllr. Murphy said he always responds to resident requests, when possible. Cllr. Adams asked if he had responded to the resident letter regarding air quality discussed at the last Council meeting. Cllr. Murphy said he had not. Cllr. Adams agreed to draft a remit for Cheshire East Councillor reports to the Parish Council for discussion at the June Council.</p> |
| 2236 | <p><u>To receive the Chair's Report</u> Cllr. Adams requested Councillor availability for three summer events that the Parish Council was attending; the Jubilee Picnic on 5th June, the Community Showcase on 30th July and Disley Show on 20th August. It was agreed that the Admin Assistant would send out an email detailing these events and that Councillors would respond directly to her. Cllr. Adams reported that the Time To Talk dementia support sessions were due to restart in June and a new monthly NHS mother and baby welfare session was starting at the Community Centre in June. Cllr. Adams said that there was finally progress with the Healthwatch CE report as she had been invited to a meeting to discuss it with the Middlewood Practice. Cllr. Adams reported that Councillors would need to review their Declarations of Interests shortly and that the Clerk would be sending out a request in due course.</p> |
| 2237 | <p><u>To formally approve the Chair's Allowance for 2022/23 at £750.</u> Proposed: Cllr. Mr Birchall Seconded: Cllr. Mrs Birchall Unanimously agreed</p> |
| Resolved | <p><i>That the Chair's Allowance for 2022/23 is approved at £750.</i></p> |
| 2238 | <p><u>To consider Councillor membership of Disley Parish Council Committees, Councillor representation on outside bodies and authorised cheque signatories for the year 2022/23.</u> Cllr. Adams requested that Alan Kennedy is removed as an Ouffs and Poors Trustee. Cllr. Mr Birchall requested to be removed from the Disley Footpaths Society. Cllr. Pattison asked to be added to the Disley Footpaths Society and Personnel Committee. The Clerk agreed to make the amends and redistribute an updated schedule. The Clerk was also</p> |

| 2243 | <p><u>Air Quality and Environmental Improvements</u> <u>To note the minutes of the Air Quality and Environmental Improvements Project Meeting held on 11th April 2022.</u></p> <p>Cllr. Adams highlighted a few factual errors in the notes; the Head of Disley Primary is Jake Nicklin, the three quarries referenced are Dove Holes, Tunstead and Dowlow and one train takes the equivalent of 75 trucks worth of aggregate, not 400.</p> <p align="right">Noted</p> |
| 2244 | <p><u>Highways Maintenance and Improvements</u> <u>To consider a Cheshire East Council Winter Maintenance Top-up Scheme survey.</u></p> <p>Cllr. Brownbill asked if the Council should consider the principle of paying for the gritting of non-gritted roads before looking into the costs. Cllr. Adams calculated that the Cheshire East offering could be approx. £1,275/km per year for gritting. Cllr. Mrs Birchall suggested that the roads recently removed from the schedule, Counting House Road and Chantry Road should be considered. Cllr. Pattison agreed to request quotes from alternative contractors. It was agreed that the Clerk would respond to Cheshire East with an expression of interest in additional gritting but stating that the Council wished to discuss the matter further. It was also agreed to add an agenda item to the June Council meeting to consider the principle of paying for winter gritting and to discuss potential routes.</p> <p>Proposed: Cllr. Mrs Birchall Seconded: Cllr. Pattison Unanimously agreed</p> |

|-----------------|---|-----------------|
| 2256 | <u>To receive a report on the Parish Council's Land Assets.</u> | Received |
| 2257 | <u>To consider a tenant request to purchase Parish Council land and associated Councillor report.</u> Cllr. Pattison proposed that a policy on the sale and long-term leasing of Parish Council assets is drafted for Council approval in June. Cllr. Pattison suggested that the best way to protect Green Belt land in the long-term is to own it. It was highlighted that the Council does not currently require the proceeds of land sale to fund its projects. Councillors discussed the tenant's request at length and decided to take no further action until the draft Council policy on land sale and leasing was agreed at the June Council meeting. The Clerk was asked to inform the tenant of this update. Proposed: Cllr. Windsor Seconded: Cllr. Mr Birchall Unanimously agreed | |
| Resolved | <i>That Cllr. Pattison would draft a Council policy on the sale and long-term leasing of Council land for approval at the June Council meeting and that the Clerk would inform the tenant of this.</i> | |

|-----------------|---|
| 2258 | <p><u>To consider a request from a prospective tenant of Disley Dam.</u> Cllr. Pattison highlighted that the prospective tenant was a business with a membership of approx. 30 and the current tenant was a community organisation with approx. 600 members. Cllr. Mr Birchall stated the importance of Disley Dam as a resource for local residents and the mental health benefits of angling. Councillors discussed the pros and cons of the proposal, particularly the financial benefits but agreed that the current tenant should be retained if possible. It was agreed to inform the prospective tenant that their proposal had been discussed at length, that they should be thanked for their interest in Disley Dam but that the Parish Council has decided not to pursue the proposal. Proposed: Cllr. Brownbill Seconded: Cllr. Mrs Birchall Unanimously agreed</p> |
| Resolved | <p><i>That the prospective tenant is informed that their proposal has been discussed at length, that they are thanked for their interest in Disley Dam but that the Parish Council has decided not to pursue the proposal.</i></p> |
| 2259 | <p><u>To consider a proposal from the Trustee of the Thomas Ouff and Poors Charity.</u> Cllr. Pattison thanked Councillors who visited the charity's land on Mudhurst Lane recently and reported that use of the land by Lyme for cattle would be problematic as the livestock would need to be transported by road. Cllr. Pattison had received a quote from a contractor to flail the thatch for £480 per annum. Cllr. Pattison reported that the Charities Commission was amenable to the terms of the charity being changed to represent the environmental aims of the village rather than generating income for "the poor." She was looking to pursue this change. Councillors agreed that the Council should look for ways to protect the land for the future and this would seem to be through Council ownership whether by purchase or transfer. It was agreed to defer this item until this option could be investigated.</p> <p align="right">Deferred</p> |
| | <p>The meeting concluded at 9.40pm</p> |

| Quote for litter bins | RH | 1 bin by entrance – Approx. £500 |

Next meeting to be arranged after June Full Council meeting.

Community Centre & Environs Project – 2022/23 Proposals

Background

The Community Centre & Environs Project Team has been discussing proposals to improve the Community Hall and the exterior of the Community Centre for a number of months. The Project Team has now agreed a schedule of works for 2022/23 and seeks Council approval for the expenditure as listed below.

Some works and purchases have already been completed, such as the redecorating of the Community Hall and the purchase of a portable PA system.

Grant funding is being sought by the Cuppa an' a Chat group to contribute towards the cost of some items.

| Items | Cost |
|--|-------------------|
| New chairs for hall (with trolley) | £2,250.00 |
| Painting of hall window frames and kitchen shutter | £600.00 |
| Replacement hall curtains | £1,400.00 |
| Noise-reducing fabric notice board | £294.00 |
| Roller shutter door replacement for main entrance | £2,300.00 |
| Paving and turfing at front entrance | £8,575.00 |
| Bench for front entrance | £900.00 |
| 2 x planters for front entrance | £1,500.00 |
| Litter bin for front entrance | £500.00 |
| Tarmacking flower bed at side of building | £5,350.00 |
| Bench for side of building | £900.00 |
| Vinyl flooring for rear entrance | £500.00 |
| 2 new exterior signs | £920.00 |
| Sand, clean and lacquer Community Hall floor | £2,100.00 |
| Total | £28,089.00 |
| 10% contingency | £2,809.00 |
| Total | £30,898.00 |

Proposal

There is currently £10,077 in the Council reserves allocated to Community Centre Development. Therefore, the Council is asked to consider allocating an additional £21,000 from Unallocated Reserves to fund this project. There is also £20,000 allocated for resurfacing the ginnel, which may be considered for transfer to this project. Any underspend as a result of grant funding or prudent purchasing would be returned to the Unallocated Reserves upon project completion.

Cllr. Cath Birchall
31st May 2022

Community Centre Energy Cost Proposals

Background

The well-publicised increases in gas and electricity costs are having an impact on the utility bills for the Community Centre. Although the Parish Council has fixed agreements in place for gas supply until 2025 and electricity supply until 2023, these only fix the kwh rate. Suppliers are introducing increases to the fixed charges such as the Green Gas Levy and Transportation and Distribution charges to increase the costs to customers.

In order to mitigate these increases the Community Centre & Environs Project Teams is proposing to increase Community Hall hire charges and EV charging tariffs as below.

Community Centre Hire

Weekdays up to 6.00pm £10.00 (No kitchen) £13.00 (With kitchen)

Evenings and weekends £13.00 (No kitchen) £16.00 (With kitchen)

Saturday Coffee Mornings (3 hours) £45.00 (set charge)

To be introduced from 1st October 2022

EV Chargepoints

Increase from 25p/kwh to 30p/kwh.

To be introduced from 1st July 2022.

Proposal

That the above price increases are introduced by the Parish Council.

Cllr. Cath Birchall

YOUR REF: Highways update and meeting request

Dear Mr Brownbill

Thank you for your correspondence addressed to Councillor Craig Browne, Deputy Leader of the Council.

The Deputy Leader has passed your enquiry to the appropriate officers to look into the matters you have raised and you will receive a response in due course.

Yours sincerely

Leader's Office
Cheshire East Council

Cc: Richard Holland
Subject: Highways update and meeting request

Dear Cllr Browne

It is twelve months since I last wrote to you formally regarding several highways matters causing concern to residents in Disley and Newtown. You then kindly visited us in the village to see some of these issues for yourself.

I would like to update you with the issues residents and councillors are continuing to experience. I would also like to extend out an invite to you and relevant officers to meet with us again, in the village. We'd propose that we hold this meeting at least annually, moving forward.

The matters we and our residents are currently experiencing include, but are not limited to:

- As we highlighted when you came to the village, we feel the **village crossroads** ('Ram Green') sets the tone, particularly when it comes to driver behaviour and visitor experience.

We asked about the provision of junction box surfacing, and we were particularly worried about the complete erosion of road markings at this very busy junction (which includes filter lanes). This has not been rectified.

In this location, we also have 3 important enforcement road signs that have been struck by HGVs. These are lying at various angles, and it looks terrible.

- Post Covid, the **A6** continues to experience an increase in traffic in what was already an AQMA. The road surface degradation we discussed last year has unsurprisingly accelerated.

Our greatest fear was that this degradation could cause injury or accidents. I understand a resident has already written to you about loose stones striking them on the A6 right outside the primary school, and you maybe aware of the badly injured cyclist who came off his bike after hitting a previously reported pothole.

- The prolific **rat running** of arterial routes has also stepped up, as the A6 traffic returns to 'normal'. Councillors and residents continue to witness speeding and dangerous overtaking manoeuvres on these roads and our local police officers are responding by performing enforcement duties, seemingly with little effect.

We are also continuing to see inappropriate vehicles (HGVs/wide loads) attempt to use unsuitable roads such as Buxton Old Road and Red house lane.

- Expected works such as the gateway feature for the village, cycle lane markings, various works on Red house lane, and yellow lines on Coppice Lane have not happened and we receive very little **communication** as to why this is.

We and residents also feel we experienced very poor communications during the recent re-surfacing works on Buxton Old Road – without doubt the most significant piece of highways works completed in our area within the last 12 months.

- **'Cycle unfriendly'** roads remain an issue for the very large number of leisure and sport cyclists that travel through the village at the weekend, and there are limited safe routes for cycle commuters and school children in the week.

Over the last 12 months we are aware of a cyclist being injured after hitting a previously reported pothole on Jacksons Edge, and another being hospitalised after hitting a previously reported pothole on the A6, in an advisory cycle lane. I have requested clarification from highways as to how these cycle lanes are inspected but have not yet had a response.

- **Blocked drains and gullies** causing flooding and dangerous road conditions in the wet remain an issue. We observed the clearing schedule on line and at times struggled to reconcile the commentary on the website with what we could see in person. We have requested photos be taken of each gully following inspection and these be added to the site.
- There remains much concern at the removal of Chantry Road / Counting House Road from the **winter gritting** routes. Many residents live on or off these steep and winding roads and we are very concerned at the position we and our residents are being put in should we face a bad winter.
- We have contributed to are awaiting the outcome of the Poynton and Disley Local Transport Delivery Plan, the A6 corridor study, and the speed management consultation and are disappointed that the two former reports appear to be significantly delayed. We would appreciate sight of these consultations as soon as possible.

Separately, I have recently completed the town and parish council highways satisfaction survey on behalf of the Parish Council and in summary requested the following:

- A named contact for Disley & Newtown
- Resurrection of area highways groups, or similar
- A visit from highway officers to our village

We would welcome a discussion on these and other relevant highways matters with you and relevant officers in the coming months. I hope we can arrange this and I look forward to hearing from you.

Sincerely,

Simon Brownbill
Vice Chair
Disley Parish Council

Disley Parish Council
Minutes of Newtown Environs Project Group Meeting - Tuesday 3rd May

1. Meeting began at 2.00pm and JP welcomed attendees.
2. Attendees - JP, SA, JW, RH.
3. Apologies – DH.
4. Actions update:
 - a. JP has arranged meeting with Anthony Agricultural re grass (thatch) cutting in area adjacent to wood.
 - b. JP has arranged meeting with Redfox Countryside Services re advice about path clearance & boardwalks in 2 x woods and advice regarding dealing with stream through woods.
 - c. RH advised that residents have confirmed that they would like to purchase a bench and plaque. RH proposed that DPC should purchase a second bench and a plaque to commemorate the Platinum Jubilee and both to be placed in the top meadow – the project group agreed.
 - d. Group agreed making pathway through woods should be part of phase 1 works to enable circular walk. JP to discuss if tree clearance is possible with Redfox and RH to contact Mike Ellison for advice regarding which trees should be removed to provide space for path through wood above football pitch.
5. RH advised approx cost of interpretation board would be £2,500 – group agreed this would be part of phase 2.

Actions: RH to order 2 benches and plaques and contact Mike Ellison

Date of next meeting: 31st May 2022 at 2.00pm

VILLAGE EVENTS MEETING – 3rd May 2022 – Minutes**Attendees: Cllrs. Mrs Birchall, Pattison and Windsor, Richard Holland, Helen Richards****1. Queen's Platinum Jubilee – 2nd to 5th June**

- Updates on: Cuppa an' a Chat
 - i) Afternoon Tea confirmed for 3rd June 2.30pm. Limited numbers. Jackie Pattison and Sue Adams to organise.
 - ii) Jubilee Concert – to show Platinum Party in the Park in the evening on Saturday 4th June. DPC to confirm that iPlayer works in the hall. Limited numbers. JP and SA to organise.
- DPC to help with advertising and tickets if required.
- Action:** Steve Taylor to check out PA system and iPlayer in the hall

2. Big Jubilee Picnic – Sunday 5th June

- Progress update – no response re: CEC Grant so Cath Birchall to chase this up.
- Event activities – discussed whether DPC should provide activities / entertainment at the event but decided to leave primarily as family / community picnic. There will be a jubilee themed gazebo, face painting, balloons, royal face masks, golden crowns and music from across the 7 decades.
- Action:** Helen to order the merchandise and book the face painting
- Use of Methodist Church toilets – councillors to man this
- Action:** Cath Birchall to prepare rota.
- First Aid – it was agreed that we should arrange for NW First Aid to attend in view of the outdoor nature of the event and the possible numbers of people.
- Action:** Helen to book the first aiders
- Banner design – consensus was number 2 with a request that the photo of the young Queen be changed to another if possible.

3. Jubilee Cake Competition (changed name from Pudding)

- Agreed to hold competition for adult and children entries for best looking cake and best tasting cake. Prizes to be : afternoon tea voucher for Finch & Fig for adults and £10 OneForAll gift card for children. Basic entry rules to be agreed. Competition to be advertised on posters, website and Disley News.

4. Disley Community Showcase – 30th July 2022

- Update on participants – approx. 15
- Next stages of planning e.g. publicity – to be done after next events meeting in June

5. Community Defib/CPR training – 18th August 2022

- Publicity – agreed to do a letter drop to the businesses and advertise to specific groups, possibly the Showcase attendees?

6. Disley Show – 20th August 2022

- Use of Community Bus – DLHS hiring the bus. Will arrange rota with 3 volunteer drivers.
- Councillor timetable – rota required for our stall – to be raised at May council meeting.
- Gazebo and table to be set up with DPC display boards, Councillors to be asked at May council meeting to suggest what to promote

7. Remembrance Sunday – 13th November 2022

- Update on progress – a new PA system has been purchased by DPC. Ranger to make bespoke wooden handrails for the steps to the cenotaph as standard barriers are too big.
- Update on wreath ordering – Royal British Legion continuing to order as in previous years (new volunteers)

8. Christmas Extravaganza – Friday 2nd December 2022

- Update – no further action required yet
- Relocation of fireworks base – St Mary's Church are happy for these to be set off from their car park but have asked for Lighttech to carry out a risk assessment and provide insurance details to be shared with St Mary's insurers.

9. A.O.B. - none

10. Date of next meeting: Tuesday 14th June 2022 at 10.30am

Minutes from Village Health and Well-Being Teams Meeting Thursday 19th May 2022

1. Present: Sue Adams, Richard Holland, Dom Hutchins, Clare Johnson (CE) and Jean Windsor

Apologies: Genevieve Lamptey

2. Matters arising from meeting 24th February 2022 - SA has still not heard back from leader of Health Walks although we understand that short walks have been taking place starting from Newtown at 1pm on Fridays. CJ said she would contact the group leader and also advised that Move More that used to run from Methodist Church has not re-started. However, Stand Strong is still running and is well attended. RH said DPC would publicise the Health Walks and SA said there are volunteers ready and willing to be trained as walk leaders.

3. Disley Volunteer Network

RH advised there are approx. 70 volunteers on distribution list. Two new Community Bus drivers have been recruited as a result of emails advertising volunteer opportunities and a new member for FODS has also been recruited this way.

RH has set up a dedicated page on DPC website.

Defibrillator training has been scheduled for August - details item 7 below.

RH requested the team approve the purchase of a pop-up poster for use at Disley Showcase, Disley Show and future events at a cost of approx. £60.

There is still approx. £4,000 left in reserves from CE funding for the VCP.

Some of this could go to appropriate local voluntary groups that are struggling for funding if needed, but funding is also likely to be needed to support the Disley Volunteer Network.

4. Twelfth Man Campaign

DH has not yet attended training. He has agreed to compile a list of male dominated venues where this can be advertised.

5. Time to Talk

SA said there are 3 sessions, on 6th June, 1st August and 3rd October, arranged to take place in Disley. These will be advertised in Disley News. Good Neighbours will be providing transport if required.

6. NHS Baby Welfare Clinic

This is a new group which RH said includes baby weighing. There is one pre-booked session per month and runs because a number of families who live in Disley cannot access other clinics in Poynton due to transport difficulties. RH will make SH surgery aware, also Library and St Mary's Tots.

7. Defibrillator and CPR training will be given by NW Ambulance First Responders. It is envisaged this will take place annually.

Two sessions will take place on 18th August at 4pm and 6pm. Although this is advertised in Disley News, if RH doesn't get enough bookings, he will target businesses and community groups such as Bowling Club.

8. SA will be meeting with Schoolhouse surgery next month to discuss issues raised in the recent CE Healthwatch report.

9. RH Has included a double A4 sheet in Disley News re Mental Health and Wellbeing support.

As the new defibrillator at the Co-op is only available when the shop is open, RH will contact Rams Head and Bowling Club regarding a suitable location for another external defibrillator for the centre of the village.

CJ will ensure RH and SA are sent CE newsletter.

RH will send CJ posters re Jubilee Picnic and Cake Competition

10. Next Meeting Teams 10 am Thursday 14th July 2022

Liz Roberts (New Mills Social Prescriber) will not attend our meetings, but notes and posters will be sent to her to keep her updated.

6th May 2022

Dear Council Clerk,

**Community Governance Review of Town and Parish Council Governance-
outcome of Cheshire East Council meeting on 27th April 2022**

You will recall that I wrote to you on 21st April 2022 and provided information about the progress of the Community Governance Review. I also provided information about the meeting of Cheshire East Council on 27th April 2022, together with an electronic link to the agenda papers for that meeting, including further electronic links to the detailed recommendations in respect of all of the Borough's local councils. I append a copy of my letter, for ease of reference.

I now write to let you know that all of the recommendations in the report, relating to Council governance, were formally approved by Full Council.

I would therefore encourage you to look at the details of the appendices to the report, which will show those changes which will apply to your Council, and which will be implemented in April 2023.

Recommendations in respect of Council governance have been made in respect of every town or parish council in the Borough, whether these are for:

- No changes to current governance
- Minor changes to current governance (eg changes to warding, or numbers of parish councillors)
- Major changes eg changes to boundaries, mergers with other town or parish councils etc.

I would further encourage you to formally report to your Council upon the agreed recommendations which will apply to it. I believe you will agree that it is most important for all of your Council members to fully understand these matters. Also, I am sure you will wish to be familiar with all of the detail, since any recommendations for change will impact your Council with effect from April 2023.

You will find a very helpful summary guide to the agreed recommendations in respect of each Council, by looking at Appendix 1 to the report to Cheshire East Council. The summary detail begins on page 17 of the Appendix. This shows a simple table, identifying each Council in alphabetical order, the third column of which summarising any changes.

Much more detail can be found in Final Recommendations Assessment Report, which comprises Appendix 3 to the Cheshire East Council report.

Turning to the way in which the agreed Community Governance Review recommendations will affect Councils, I hope that I can provide you, and your Members, with some reassurance.

My Council understands the need for us to work closely together in ensuring that any changes to Council governance arrangements are appropriately managed, and that reasonable support is provided to affected Councils.

You may recall that I previously copied to you the agenda which was considered by my Council's Community Governance Review Sub-Committee on 4th April 2022. Here is a link to the report:

[Agenda for Community Governance Review Sub-Committee on Monday, 4th April, 2022, 2.00 pm | Cheshire East Council](#)

Please note, from paragraphs 8.2-8.4 of the report that the Council has agreed that practical support should be put in place to assist affected Councils:

8.2 It is clear that our ongoing engagement with town and parish councils will be of key importance as part of the process which will lead to the changes, arising from the review, taking effect in 2023. Whilst, from a purely legal perspective, the responsibility for dealing with such matters rests with the town and parish councils themselves, some degree of support to our town and parish council partners should be provided by this Council.

8.3 Throughout the CGR process, there has been significant collaboration between the officers of this Council, and the Cheshire Association of Local Councils (ChALC). ChALC has already provided valuable inputs in respect of the process followed so far and has been a partner in facilitating important engagement with town and parish council members and officers.

8.4 Further work will take place, in partnership with ChALC, to ensure clear communication with our town and parish council partners. Initial discussions have taken place with ChALC which are expected to lead to ChALC providing comprehensive support to all affected town and parish councils (not just those which are members of ChALC). In this way, the expertise and practical experience of ChALC can be drawn-upon, for the benefit of all town and parish councils within the Borough.

We are very grateful for the opportunity to work together with ChALC in the provision of support for Councils, as set out in the above paragraph extracts from the report.

I have already met with the Chief Officer of ChALC, Jackie Weaver on a number of occasions, to discuss how this support might be provided over the coming months, and I am very encouraged with the outcome of those meetings. Jackie has kindly offered to provide support to all Councils, not just those which are members of ChALC.

2.34 Disley

| Current Governance: Overview | |
|---|------------------------------------|
| Current Parish Council/ Parish Meeting name | Disley |
| Type of Parish Council/ Parish Meeting | Individual parish, with no warding |
| Current Parish name(s) | Disley |
| Current parish ward names (if warded) | N/A |
| Seats | 7 |
| Nominations in 2019 | 8 |
| Electorate (2016) | 3,998 |
| Electorate (2025 forecast) | 4,000 |

Details of any boundary issues to consider (e.g. major housing development) in this area
None.

Feedback from pre-consultation survey

Four responses from individual residents, of whom three favoured no change in governance; the fourth questioned the Parish Council's effectiveness and readiness to consult residents; this response proposed the parish be renamed "Disley and Newton", but did not suggest any other changes within the Community Governance Review remit.

In its response, the Parish Council provided an extensive list of its activities and felt it was effective; however, it felt neglected by the Borough Council, considered that more resources were needed to maintain its effectiveness and suggested that an increase in seats may be necessary.

Draft Recommendations

Increase seats from seven to 12, as this is in line with average for a council with an electorate of this size. This recommendation also reflects the Parish Council's view that more seats may be required.

Feedback from consultation stage – petitions

None.

Feedback from consultation stage – summary

11 submissions received, of which nine (all from individual residents) were via the consultation survey; the other two were emails from the Parish Council clerk and chair. Of the nine submissions from local residents, five agreed overall with the Draft Recommendations, two disagreed, one neither agreed nor disagreed and the other one was unsure. The only comment made by any of these residents was a suggestion (from one of those who agreed) that Disley should become part of Greater Manchester – a proposal outside the Community Governance Review remit.

Feedback from consultation stage - submissions from the affected parish council(s)

In a response submitted by its clerk, the Parish Council states the number of seats should increase. However, it requested nine seats: it felt this number would be both achievable and beneficial, but 12 would not. The submission makes a number of points to justify this more modest increase. It notes that councillors' workloads have increased - councillors' input into other local bodies was highlighted - and that the parish population has grown significantly too. However, it also draws attention to the fact that the Cheshire East Local Plan does not provide for additional housing in Disley up to 2030 and therefore it expects the population to remain stable until at least then. The Parish Council also notes that there were only eight nominations in 2019; it adds that many residents are actively engaged in supporting the Parish Council's work and local projects (such as the Neighbourhood Plan), but some of these residents say that they do not necessarily wish to become councillors. The submission also highlights the Parish Council's efforts to encourage resident participation in voluntary work in the wake of the COVID pandemic.

The email from the Parish Council Chair (treated as a separate submission to the clerk's, given some significant differences in the content and the fact it came from a different person) also stated that nine seats was appropriate and also referred to the same evidence on councillor workloads, population and housing trends, and nominations. Both this submission and the clerk's email included the text of an individual councillor's earlier email, to highlight these points.

Feedback from consultation stage - submissions from elected councillors, Borough Ward Members and local bodies
None.

Feedback from consultation stage on local community identity
None.

Feedback from consultation stage on viability issues
None.

Feedback from consultation stage - alternative suggestions not covered elsewhere
None.

Post-consultation assessment

The submissions from the Parish Council clerk and chair offer persuasive arguments and evidence for increasing seats provision, but limiting the new total to nine. The local population has increased in recent years, and councillors' workloads with this; the advent of the COVID pandemic has probably contributed further to this workload. However, the Parish Council's pre-consultation and consultation submissions suggest it is very active even with seven councillors, so a modest increase in seats may prove sufficient to respond to the additional recent pressures.

The Parish Council submissions, together with the data on nominations for the 2019 ordinary elections, also suggest that many residents have a preference for supporting community activities without standing for election, thus sharing out the Parish Council workload more evenly between local people than the tally of council seats might suggest.

Furthermore, whilst a clear majority of responses from individual residents agreed overall with the Draft Recommendations, it may be that they are indicating their support for the principle of an increase in seats, rather than the exact number recommended at that stage.

The Borough Council also considers that its decision should be based largely on the Parish Council's views, given its role and experience in representing the whole of the local community, and the fact that it made detailed, important comments to support its views. The Borough Council therefore recommends an increase to nine seats.

For all the reasons given above, it is considered that the recommendations will ensure that:

- A. the proposed community governance arrangements reflect the identities and interests of the community; and
- B. the proposed community governance arrangements are effective and convenient.

David Rutley MP
House of Commons
Westminster
London
SW1A 0AA

16th May 2022

Dear David

On behalf of Disley Parish Council, I am writing to ask for your help in addressing concerns about the bullying, harassment and intimidation of local town and parish councillors and their staff, all working in and for their communities. It echoes the growing malaise around the safety of our MPs whose day-to-day work is made more difficult through incivility, online and in person abuse, stalking and even threats which sometimes reach families and constituency staff. Public servants, whether working nationally or locally, deserve protection from this.

In many council areas these issues are reflected in the low numbers of candidates, particularly females, stepping forward as local councillors, uncontested elections and, in some cases, a reluctance to take on public facing work (for fear of abuse (e.g., attendance at councillor surgeries and meetings)). With more than 10,000 town, parish and community councils (plus 735 in Wales) and with around 100,000 councillors, this worsening situation is magnified and clearly bad for democracy.

In the last 2 years, the high turnover of professional clerks, (a clerk is the executive officer steering the council and usually its responsible finance officer) is now heading towards a major recruitment and retention issue. Some clerks are experiencing not only casual abuse from the public as they run their councils but, sadly, in some documented cases, persistent incivility from the councillors they serve. Unlike most other employees, clerks have no recourse to this unacceptable behaviour and often, with little in the way of sanctions, the only option is for a clerk to resign.

The National Association of Local Councils (NALC), One Voice Wales (OVC) and County Associations representing local councils and councillors in England and Wales as well as the Society of Local Council Clerks (SLCC), the professional body for clerks, have together recognised this. Investment has been made in a Civility &

DISLEY PARISH COUNCIL

Richard Holland *Disley Parish Clerk*

Respect Project which is coordinating a programme to support councillors and staff within our sector via training, good governance, clear policies and intervention processes. It will also work to influence relevant legislation to combat online abuse, introduce sanctions and enhance the role of monitoring officers. It is work sitting alongside that already being taken forward by the Local Government Association (LGA) to promote civility in public life for councillors and staff working for principal councils. It also ties in with recommendations set out in 2019 Local Government Ethical Standards Report issued by the Committee on Standards in Public Life.

Disley Parish Council would welcome your support and that of your fellow MPs in raising this important national issue via parliament.

Yours sincerely

Cllr. Sue Adams
Chair of Disley Parish Council

20th May 2022

Dear Sir/Madam

Whaley Bridge Neighbourhood Development Plan, Regulation-14, Town and Country Planning, England Neighbourhood Planning (General) Regulation 2012.

Whaley Bridge Town Council supported by the Vision4Whaley Neighbourhood Plan Steering Group are undertaking the formal pre-submission consultation of the draft neighbourhood development plan for Whaley Bridge.

Consultation will run from 20th May (Noon) to 2nd July 2022 (Noon). This is a six-week statutory consultation period and we welcome comments on the pre-submission plan.

We are writing to you as a Statutory Consultee in this process.

The Plan can be viewed on our website www.vision4whaley.org.uk. A hard copy is held at The Mechanics Institute, 27 Market Street, High Peak SK23 7AA where you can also request a printed copy. We have enclosed a simple summary of The Plan.

We have a number of public events planned during the Regulation-14 Consultation, details can be found on our website and are shown on the summary enclosed.

If you have any comments you can respond by attending one of the meetings, emailing vision4whaley@outlook.com or writing to us at to us at: Vision4Whaley, c/o Town Clerk, Mechanics Institute, Market Street, Whaley Bridge. SK23 7AA.

We look forward to hearing your comments as we aim for the Neighbourhood Plan to reflect the wishes and needs of the local community.

We look forward to hearing from you.

Best wishes,

Martin Thomas
Chair of Vision4Whaley

Whaley Bridge Needs You!

Vision4Whaley are pleased to share the Pre-Submission Neighbourhood Plan for Whaley Bridge. We would like to invite you to view and comment on it by completing our feedback survey. You can read the full Draft Neighbourhood Plan on our website www.vision4whaley.org.uk

What is a Neighbourhood Plan?

The Neighbourhood Plan is a community-led document produced through feedback gathered over four years of consultation. The Neighbourhood Plan will be used to guide the future development and growth of Whaley Bridge and Furness Vale. It contains a vision, aims, planning policies, and proposals for improving the area and providing new facilities. The Neighbourhood Plan relates to the use and development of land and associated social, economic and environmental issues. It deals with a range of issues that are important to the area. Our Neighbourhood Plan forms part of the Statutory Development Plan, together with the adopted local plan of High Peak Borough Council and Peak District National Park Authority, informing the decision making on a planning application in any part of Whaley Bridge and Furness Vale.

What are our aims?

In 2032 Whaley Bridge will be a sustainable and thriving local community meeting the needs of all generations. The distinctive local environment, unique character and natural beautiful surrounding countryside will be preserved and enhanced.

Where can I find out more?

Simple Summary of The Draft (pre-submission) Neighbourhood Plan

Employment and Housing

This section contains policies to support local growth, to meet the social and economic needs of Whaley Bridge's local community.

The policies support retail, restaurants, cafes, cultural uses, visitor facilities, and recreational uses in the town centre, including changing of use from residential homes in the interest of diversification. Community facilities are particularly supported, particularly outdoor areas which support community events. Residential development is prioritised within the settlement boundary, in the Town Centre, brownfield sites and infill sites. Accommodation suitable for older people and those with limited mobility is supported in suitable locations.

Heritage-Led Regeneration and Conservation

This section seeks to protect Whaley Bridge's historic environment and support heritage-led regeneration in order to realise the economic and community potential of the historic environment while protecting it for future generations. High quality, complementary, and green extensions to historic buildings are supported. The special character of the Whaley Bridge Conservation Area is protected. Particular focus is given to the Peak Forest Canal, Transshipment Shed, and Canal Basin to preserve the character of these areas and promote their recreational use, including developments adjacent to them.

Environment and Climate Change

This section prioritises protection of Whaley Bridge's environment and promotes high-quality, sustainable, and creative design.

The policies emphasise locally distinctive design that complements the townscape character and is well connected to green infrastructure. The sub-areas of Taxal, Fernilee, Horwich End, Bridgemont and Furness Vale are identified as having unique character that should be protected from unsympathetic development. The rural character of the area, the tree canopy, and natural habitats of the area are identified for protection. Development is encouraged to be sympathetic to the boundaries between the built environment and open countryside including a) taking into account views along the Goyt Valley b) avoiding encroachment onto the footpaths, cycleways, or green routes through the neighbourhood area.

Transport and Movement

This section ensures that development is served by a balanced and sustainable mix of transport options.

Developments are encouraged to prioritise pedestrian and cycle connections to surrounding transport routes, with electric vehicle charging points encouraged for new dwellings. Developers are encouraged to take opportunities to alleviate traffic congestion and pollution.

The Consultation runs from Friday 20th May (Noon) to Saturday 2nd July 2022 (Noon)

Local Green Spaces included in the plan

- LGS1: Roosdyche, New Horwich Road
 - LGS2: Whaley Bridge Linear Park
 - LGS3: Fernilee Chapel churchyard, Elnor Lane
 - LGS4: Shallcross Wood
 - LGS5: Furness Vale Bowling Green, Sports Court and Playground
 - LGS6: Whaley Bridge Cricket Pitch, New Horwich Road
 - LGS7: Shallcross Incline Greenway, Shallcross Road
 - LGS8: Taxal Churchyard, Whiteleas Road
 - LGS9: Whaley Bridge Incline
 - LGS10: Brookfield Pond, Reservoir Road
 - LGS11: Wooded area to north of Jodrell Road Play Area, Jodrell Road
 - LGS12: Land to the north of Meadowfield, Stoneheads Rise
 - LGS13: Furness Vale School Garden, Coachman's Lane
 - LGS14: Green at centre of Orchard Road, Orchard Road
 - LGS15: Carr Field Horwich End, Buxton Road
 - LGS16: Taxal Beeches, Taxal Moor Road
- (LGS= Local Green Space reference)

Private Members' Ballot - Local Electricity Bill

Help the campaign to boost community-run renewable energy projects: A group of MPs have just been given the opportunity to introduce a new law in Parliament and Power for People are campaigning for them to choose the Local Electricity Bill, which would enable many more community renewable energy schemes. (Unfortunately, none of the MP's are from the area ChALC covers). So far, Power for People have brought a cross-party group of 300 MPs on board in support. We still need many more to win the campaign and to achieve this we need your help. Take action at: <https://powerforpeople.org.uk/>

The Problem

We are not meeting our climate change targets – the UK is way off track to meet the fourth and fifth carbon emissions budgets of the Climate Change Act. Community-scale renewable energy has huge potential to help solve this problem and benefit local economies, but it is currently blocked from doing so.

If you want to buy your electricity from local renewable sources, such as the local school or sports hall that have solar panels on their roofs, you cannot. We all buy our electricity from a utility company that sources it from anything connected to the National Grid, be it a field of solar panels in Wiltshire or a gas fired power station in Yorkshire.

Putting it the other way around – a community with local renewable generation, e.g. housing estates with solar panels or a local wind farm – cannot sell the energy they generate directly to local people, but must sell it to a utility who sells it on to customers. This is happening because becoming a supplier of energy to customers involves set-up and running costs of millions of pounds. These costs are due to things like having to grapple with the highly complex grid balancing codes and network agreements that are controlled by the largest six utilities.

The heart of the problem is disproportionate costs. It would be like you wanting to set up a business baking cupcakes in your kitchen and delivering them to people in your local area, but instead of just paying the road tax for your delivery van you had to pay hundreds of thousands of pounds to use the roads, no matter how few cupcakes you delivered. You could never start your business – this is the reality for community-scale renewable energy in the UK.

Information Bulletin

Active Travel Scheme review in three borough towns

Three of the borough's Active Travel routes are being reviewed and the council is inviting comments on whether they should continue.

The three schemes, which apply to Crewe, Macclesfield and Congleton town centres, allow for easier travel for cyclists and pedestrians, using designated routes. They came into operation as part of the council's Covid-19 response, for which the council received central government funding.

Residents now have a final opportunity to comment as to whether these measures should remain a permanent feature to encourage active travel, including cycling and walking.

The council has a policy to promote active travel, including cycling, owing to the health benefits it can bring to individuals and communities, as a whole, through reduced traffic, cleaner air and a healthy environment.

Residents – and businesses – can post their views via: [Have Your Say Today – Cheshire East Active Travel Response – Commonplace](#)

Alternatively, people can email ActiveTravel@cheshireeast.gov.uk

Comments should be received by the council no later than Thursday 30 June 2022.

Findings of ROSPA Play Area Safety Inspections conducted on 5th April 2022.**Introduction**

Playsafety Limited carried out annual independent inspections of all Disley Parish Council-owned play areas and play equipment on 5th April 2022.

This report only highlights the items where a medium or high risk was identified and outlines the remedial tasks that were recommended.

1. Arnold Rhodes

- 1.1 Cableway – Carry out traveller inspection and add traveller and cable inspection to regular checks.
- 1.2 Cableway – Surfacing due for repair.
- 1.3 Climber Blox – Powerwash to remove slippery algae.
- 1.4 Toddler Multiplay – Replace missing bolts.
- 1.5 Swing Nest – Check for cracking to top wooden bar.

2. Arnold Rhodes Fitness and Bike Area

- 2.1 Outdoor gym equipment – bolts missing – replace and tighten all fixings.
- 2.2 Gates – Finger traps - adjust to allow minimum 18mm gap.

3. Newtown Play Area

- 3.1 Surfacing – Top up/replace the loose fill chippings.
- 3.2 1-bay swing – Check structural integrity.
- 3.3 Toddler swing – Check structural integrity

4. Station MUGA

- 4.1 No medium or high-risk items reported.

Conclusion

Most of the above tasks can be undertaken by the Parks and Assets Ranger. Items 1.2 and 3.1 will require capital investment.

Richard Holland
Parish Clerk

APPENDIX C: Meeting and Events schedule – 9th June 2022

| Date & Time | Meeting / Event | Venue |
|---------------------------------------|--|------------------|
| 9 th June 2022 7.00pm | Council Meeting | Community Centre |
| 14 th June 2022 10.30am | Village Events Meeting | Community Centre |
| 20 th June 2022 7.00pm | Air Quality Meeting | Community Centre |
| 28 th June 2022 11.00am | BDP Care Meeting | Microsoft Teams |
| 14 th July 2022 10.00am | Health & Well-being project team meeting | Microsoft Teams |
| 14 th July 2022 6.00pm | Policing Update | Community Centre |
| 14 th July 2022 7.00pm | Council Meeting | Community Centre |

| Appendix B Planning Applications | |
|----------------------------------|---|
| 22/1262M | Retrospective application for disabled access to garden via decked area. Rear exit from house utilising space to make safe sitting space for elderly/disabled occupants. |
| | 10 Dryhurst Lane, Disley SK12 2EQ |
| Comments | |
| | |
| 22/2070M | Proposed single storey rear extension |
| | Trewarne, Farm Lane, Disley SK12 2NF |
| Comments | |
| | |
| Decisions | |
| 21/3687M | Proposed dropped kerb on front of property to facilitate access for disabled use – granted subject to 3 conditions |
| | Kerith, 5 Buxton Road West, Disley SK12 2AE |
| | |
| 22/0192M | Detached garage with homeworking studio and storage over (part retrospective) – refused as the proposed development is an inappropriate form of development within the Green Belt which by definition is harmful. The garage by reason of its scale, height and massing represents a visually obtrusive feature which detracts from the rural character and appearance of the area and site itself. |
| | Lower Woodend Cottage, Strines Road, Disley, SK6 7GN |
| | |
| 21/5980M | Two storey side extension with loft accommodation – granted subject to 3 conditions |
| | 25 Oak Bank, Disley SK12 |
| | |
| | |
| | |
| | |
